Requirements for the Master of Arts degree via the BA/MA Program
The MA requires six or more credits in addition to the 32 required for the Wesleyan BA. One credit in each semester will be awarded for Advanced Research Seminar (549/550). MA credit is awarded only for courses with a minimum grade of B minus. Research must culminate in an MA thesis. MA degree requirements for coursework, thesis and its defense are specific to each department and can be found in the University Catalog: https://catalog.wesleyan.edu/departments.

I. Courses/Credits earned while in the BA portion of the program to be used toward the MA degree:
Students who earn more than 32 credits at the time the BA degree is completed may apply excess credits toward the MA degree provided that the credits are for courses relevant to the area of study, the courses have not been used to fulfill any requirement for undergraduate major(s) certification, and the grade of B minus or better was earned.
