Why I chose Wesleyan:
I made my final decision at Wesfest, a program in the spring where all accepted students are invited to spend the weekend on campus I was attending a boarding school so the overnight didn't intimidate me. However, I was expecting to feel out of place, but that was not the case. From the first step I took on campus, it felt like home. That feeling stayed with me until I went home at the end of the program.

Why I want to be a tour guide:
At my old school, I was the Head Student Ambassador. That meant that I gave a lot of tours and trained new tour guides. Being involved in the admissions office was definitely one of my favorite parts of high school and giving tours was definitely my favorite activity. In my first semester here it felt like something was a bit off. It took me a while but I eventually realized that it was my lack of involvement in admissions and the fact that I was no longer giving tours that just made it seem like something was missing.
