Why I chose Wesleyan:
Coming from a small New England boarding school, my college search was primarily focused on finding a school that provided a different educational experience. At Wesleyan I am challenged to think not only critically, but differently, which allows a student to extend their learning far beyond the classroom. That is why I chose Wesleyan.

- Track and Field

- Intramural Basketball

Why I want to be a tour guide:
I have been giving tours since my middle school years. For me, giving tours is as much a part of my educational experience as it is attending classes. What giving tours provide me with is a humbling perspective of the school that I attend, which remind me not to take for granted the opportunity that I have here at Wesleyan, and furthermore, to make the most of the time that I have left.
