Why I chose Wesleyan:
I visited Wesleyan on a cold, rainy, winter day, but it was the only school that felt like a place I'd be able to call home. I visited a week before EDI apps were due and decided to apply. I had a strong feeling that Wesleyan was the best environment for me to grow personally and academically. The open curriculum, however, was the deciding factor in my decision. I wanted to have freedom in choosing my academic pathway through college.

Academic Interests:
Psychology, Italian, Film

Favorite class at Wes:
I took Social Psychology during my freshman fall and learned so much about human interaction, instincts and prejudice that I'd never been aware of. Taking Social Psychology lead me to develop an interest in the study of stigma and to pursue Psychology as a major.

Current Classes:
- Social Stigma
- Research methods in cognition
- Intermediate Italian
- Language of Hollywood

Why I want to be a tour guide:
I hope I can show perspective students why Wesleyan is a great place, no matter what their interests might be!

Outside the Classroom:

Extracurriculars:
- Second Stage
- Wes Christian Fellowship
- Terpsichore

Favorite Activity at Wes:
Hanging on Foss with friends

Favorite moment at Wes:
Performing an entire play in Italian after studying the language for only two months

Favorite movie(s):
- Donnie Darko
- The Departed
- Requiem for a Dream
- The One I Love

Favorite song:
Weight in Gold - Gallant

Fun Fact:
I'm colorblind and the youngest of 5 children.
