

## 2012 NESCAC Women's Swimming & Diving Championship Ticket Info

### Pre-Sale:

Each team was allotted 26 all-session tickets that were sold through the Middlebury Box Office. Since the demand for tickets was greater than the space available, we suggest that parents share tickets as they have in the past. How the sharing of tickets is handled is at the discretion of each teams' parents. In order to help parents coordinate travel plans, it is suggested a sharing plan be implemented as early as possible.
