Name: \_\_\_\_\_ WesId: \_\_\_\_\_ Class Year: \_\_\_\_\_

This form is to be used by students who need to defer declaring a major because they are currently completing a major entry requirement. Students deferring declaration will need to determine whether their current advisor will be able to continue to advise them for the remainder of the semester. Students will have an enrollment hold when they return for the first semester of their junior year. If they still cannot declare the major at that time, they minimally will be required to find an advisor in their intended major in order to release the enrollment hold.

Please explain below:

1) why you will not be declaring your major by March 2:

2) your plan and timeline for declaring a major:

3) possible obstacles to declaring your desired major:

4) what your back-up major is:
