

Cardinal Technologies

THE STAFF OF Cardinal Technologies welcomes you. Owned and operated by the University, we are available to help you with any computer-related questions and needs.

BENEFITS OF PURCHASING FROM US: If you are preparing to buy a new computer, we encourage you to purchase it from Cardinal Technologies. We sell the latest configurations of Sony, HP, Dell, and Apple Macintosh computers in desk-top and laptop models. We are able to leverage academic pricing to benefit our customers, and all purchases from the store directly support technology on campus. We will send you information during the summer on specially configured and priced systems. These configurations have been chosen for your convenience. We encourage you to contact us for any particular configuration that may better meet your needs.

Your computer will be ready and waiting: Prices and configurations change often. You can keep up with these changes by book-marking and visiting our Web site often (www.wesleyan.edu/its/store). We do our best to ensure that any system ordered by the first week of August will be here and ready for you when you arrive on campus. A computer purchased from us is one less thing you will need to pack and bring to campus.

It will be configured and Wesleyan ready: If you bundle your computer with our “campus pack,” it will be delivered to your room and waiting for your arrival. Your computer will be “Wesleyan ready” right out of the box. Your password (provided by ITS operations under separate mailing) is all you will need to start reading your Wesleyan e-mail, surfing the Net, creating your own Web pages, or accessing your Wesfiles server directory. The “campus pack” includes Microsoft Office, FrontPage, virus protection, and Firefox browser, all installed and ready for immediate use. Additionally, we bundle a surge protector, ethernet cable, CD-R media, and mouse pad.

We look forward to meeting you in the fall and helping you with your computer needs during your years at Wesleyan. In the meantime, please feel free to contact us with your questions. We can be reached Monday through Friday, 9 a.m.–5 p.m. EST, at (860) 685-3907. You can contact us via e-mail at store@wesleyan.edu or stop in the Usdan Center while you are visiting the campus.
