

NEW GRADUATE STUDENT ORIENTATION/OPEN HOUSE

OFFICE OF GRADUATE STUDENT SERVICES 128-132 EXLEY SCIENCE CENTER

Date: September 1, 2009

Times: 10:00-11:00 Students in Astronomy, Earth & Environmental Science,
Mathematics & Computer Science, Music, Foreign Language
Teaching Assistants, and Ford Fellows

11:00-12:00 Students in Biology, Chemistry, Physics, and Molecular Biology
and Biochemistry

Please join us for an open house at our offices at 128-132 Exley Science Center.
Representatives from the following offices will be present to provide information and
answer any questions you may have:

Graduate Studies
Graduate Student Services
Graduate Student Association
Payroll
Housing
Health Insurance
International Student Advising
International Tax Issues

As there will be no formal presentations, stop by any time within the appropriate slot for
as long or short as you wish. We look forward to meeting you!
