Welcome to graduate student life at Wesleyan! The graduate community is made up of approximately 200 students working toward MA or PhD degrees in Astronomy, Biology, Chemistry, Earth and Environmental Science, Mathematics and Computer Science, Molecular Biology and Biochemistry, Music and Ethnomusicology, and Physics. Also part of the graduate community is a group of non-degree seeking students who are spending time at Wesleyan as Foreign Language Teaching Assistants, German Exchange students, and Writing Fellows. Approximately 60 new students will join the graduate community in the Fall of 2012.

The Office of Graduate Student Services will be your primary administrative office. It is staffed by Cheryl-Ann Hagner (Director) and Barbara Schukoske (Administrative Assistant V). Office hours are Monday through Friday 8:30-5pm. The office is located on the first floor of the Exley Science Center, rooms 128-132. The office suite includes a small lounge that is available to graduate students 24 hours per day, seven days per week. We are here to help you and hope you will not hesitate to contact us if you have a question before you arrive or to stop in once you have arrived. Please email your questions to Barbara Schukoske bschukoske@wesleyan.edu.

This packet includes important information related to your arrival at Wesleyan. Please review the information and contact us if you have any questions.

**Arrival Dates:** Please plan to arrive between Tuesday August 21, 2012 and Sunday August 26, 2012.

**Travel Arrangements:** Notify us (via email to bschukoske@wesleyan.edu) of your expected arrival day/time and let us know if you would like assistance getting to Wesleyan from an airport or train/bus station.

**Housing:** Review the Wesleyan-owned graduate housing options and submit an application not later than July 1, 2012. http://www.wesleyan.edu/reslife/grad_housing/index.html Graduate student housing opens on Tuesday August 21, 2012. Please do not arrive before this date.

**Orientation:** Orientation is scheduled to begin at 9am on Thursday August 28, 2012. Review the enclosed Orientation schedule and plan to be at all mandatory sessions. Orientation will include opportunities to get to know other graduate students, to learn more about Wesleyan including instructions on enrolling in the university and registering for classes, and to process important paperwork related to stipend payments and tax forms.

**Immigration:** International students will receive a questionnaire from Janice Watson, the Coordinator of International Students. Please return the questionnaire as soon as possible. This is the first step in the visa application process. NOTE: Visas for international students who are sponsored by an organization outside of Wesleyan such as Fulbright or USAID will not receive a questionnaire from Wesleyan. The sponsoring organization will process the visa.

**Wesleyan Email Username:** In June, we will send your Wesleyan email username and a temporary password and instructions on how to access Wesleyan email from off-campus.

We look forward to meeting you and helping you with a smooth transition to life at Wesleyan.

Sincerely,

Graduate Housing

Housing Options
Graduate Students have the option to live in Wesleyan-owned housing or in units that are privately owned. The Office of Residential Life coordinates Wesleyan housing. The Office of Graduate Student Services posts announcements about privately owned housing options to a graduate student list serve.

Wesleyan Housing
Wesleyan housing is available to graduate students currently enrolled in a graduate program and their immediate family members (domestic partners/spouses and children or legal dependents). Rentals are organized through the Office of Residential Life.

Types of Wesleyan Housing
There are three options for Wesleyan graduate housing: one-person apartments, group housing, and family housing. Descriptions of available housing and rental rates are posted on the Office of Residential Life website: http://www.wesleyan.edu/reslife/grad_housing/grad_options.html

Applying for Housing
It is recommended that you apply for housing as soon as possible. Every effort will be made to meet your housing preference; however, housing is provided on a space-available basis and is not guaranteed. Upon receiving notification of your assignment, you will be given the opportunity to decline Wesleyan University housing prior to signing your lease. The application is available http://www.wesleyan.edu/reslife/grad_housing/grad_housing_app.html

Lease
Students must sign a binding lease with the University upon receiving keys for their unit. Signing the lease indicates an agreement to live in Graduate Housing for the duration of one academic year. All leases end on May 31st of each year.

Important Dates
Applications for Wesleyan graduate housing are due before July 1, 2012
Assignments for Wesleyan graduate housing will be made by mid-July.
Wesleyan graduate housing will open on Tuesday Aug 21, 2012

Contact Information
If you have any questions, please contact Amy Miller in the Office of Residential Life at 860-685-3550 or resife@wesleyan.edu

Health Insurance

University policy mandates that all students maintain health insurance in order to avoid potentially difficult and costly medical situations and to ensure that medical services outside the University Health Center are covered. Wesleyan provides the following options for health insurance coverage.

1. Gallagher/Koster: Please see the Gallagher/Koster web site for policy information and rates: https://www.gallagherkoster.com/. Graduate students selecting this plan are responsible for enrolling by the enrollment deadlines posted on the University Health Services web site http://www.wesleyan.edu/healthservices/geninfo/insurance.html.

2. CIGNA: This plan is limited to full-time, degree-seeking graduate students. It is not available for non-degree seeking students such as foreign language teaching assistants, German exchange students, Ford Fellows, etc. Enrollment is processed through the Wesleyan Office of Human Resources. For information about the CIGNA plan and rates: http://www.wesleyan.edu/hr/health/health.html. Please note that graduate students are not eligible for dental insurance.

3. Wesleyan graduate students are eligible to access healthcare services at the University's Davison Health Center. Services are available during academic sessions. For more information about the Davison Health Center: Davison Health Center Services.

Students may elect to provide their own insurance and must submit proof of insurance to the Office of Graduate Student Services. Students will be required to sign an insurance waiver form. Failure to provide proof of insurance and submit a signed waiver form will result in automatic enrollment in the Gallagher/Koster health plan. This one-time charge will be billed to the student’s account.
Welcome to Wesleyan. To fully qualify for enrollment, all incoming students must meet certain health standards set by the State of Connecticut and the university. These include compliance with vaccination against Measles, Mumps and Rubella, Tuberculosis blood testing and possible testing for Hepatitis B. You must also complete a health form found online at www.wesleyan.edu/healthservices/geninfo/forms/healthforms.pdf.

To simplify and facilitate the process of immunization compliance, Wesleyan’s Davison Health Center has organized a special clinic during which incoming graduate students can schedule a 20-minute visit with a Health Center Nurse.

Please call 860-685-2470 or email mschukoske@wesleyan.edu to schedule an appointment.

Wesleyan University
2012/2013 Stipend Information

The 9-month stipend year for new graduate students runs from September 1 through May 31.

Stipends are paid bi-monthly on or around the 15th and the 30th of each month. If you reside in University housing, rent is automatically deducted twice each month from your stipend payment.

Graduate students, except international students, are responsible for determining their own tax liability. New graduate students are required to complete forms W-4 and CT W-4 and submit an I-9 employment form. This will be done during Orientation. You will not receive a stipend payment until these forms are completed and submitted. If you have questions regarding your tax forms or tax status, please contact the Payroll Office at payroll@wesleyan.edu.

The Payroll Office will assist new international students in determining your tax status while at Wesleyan. Please address questions relating to income taxes to the Payroll Office at payroll@wesleyan.edu. Be sure to identify yourself as an international graduate student.

A limited number of dependency allowances are available each year. Information on the dependency allowance and applications are available in the Office of Graduate Student Services. When approved, payments will be made via Direct Deposit on the first pay period of each month.

Please direct questions about stipends to Cheryl-Ann Hagner, Director of Graduate Student Services, 860-685-2223, chagner@wesleyan.edu.

2012/2013 RATES

**Stipend Rates in the Sciences and Math**

**Stipend Rates in MUSIC**

MA 12 months = $15,925, June 1 – May 31
MA 9 months = $11,943, September 1 – May 31

**Dependency Allowance:** $124 per approved dependent, per month
Students who enter the United States in either an F-1 or J-1 visa status are usually considered non-resident aliens for income tax purposes during the first five calendar years present in the U.S. Compensation and miscellaneous payments may be subject to income tax withholding and/or reporting. Collection of information and data assists Wesleyan in determining a student’s tax residency status. Non-resident aliens are taxed under a separate set of IRS rules than U.S. citizens, permanent residents or resident aliens.

**DURING ORIENTATION**
- Provide personal information on a Foreign National Information Form (FNIF).
- Complete and sign U.S. Federal and CT state income tax withholding statements, or W4 forms.
- Complete and sign a USCIS Employment Eligibility Verification, or I-9 form.
- If applicable, sign a Tax Treaty Exemption Statement, or 8233 form. More than 60 countries have tax treaties with the U.S. If a treaty benefit is available to a student, the student may take advantage of the benefit and should sign a tax treaty form each year in January.
- Sign a Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding, or W-8BEN form.

Please note that initial income tax related documents will be collected during Orientation. Thereafter, income tax processing is administered in the university’s Payroll Office.

**ANNUALLY**
- Receive a W2 earnings statement from the Payroll Office each January. If a student receives a check from Wesleyan Payroll anytime during a calendar year, he/she will receive a W2 earnings statement the following January. Create a folder labeled “Wesleyan Income Taxes” and save all tax documents in a safe place.
- Receive a 1042-S statement from the Finance Office each February. If a student receives a non qualified scholarship and/or a tax treaty exemption from Wesleyan during a calendar year, he/she will receive a 1042-S statement the following February. Save in the “Wesleyan Income Taxes” folder. A 1042-S form is not issued for a student who receives a qualified scholarship.
- All students who receive either a W2 or 1042-S statement during a calendar year are required to file a U.S. federal income tax form, or 1040NR, by the following April 15th.
- All students who do not receive income during a calendar year are required to complete a Statement of Exempt Individuals, or 8843 form, and submit to the IRS by the following June 15th.
- Wesleyan provides its international students access and instructions to a web-based tax filing software called FNTR. We strongly recommend non-resident alien students use FNTR to prepare their 1040NR or 1040NR-EZ or 8843 forms. The software is easy to use and accurate. Instructions and passwords are provided to students by the Payroll Office every year during February/March.
