Notice Regarding Your Student Health Insurance Coverage

Your student health insurance coverage, offered by UnitedHealthcare Insurance Company, may not meet the minimum standards required by the health care reform law for restrictions on annual dollar limits. The annual dollar limits ensure that consumers have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are $1.25 million for policy years before September 23, 2012; and $2 million for policy years beginning on or after September 23, 2012 but before January 1, 2014. Restrictions on annual dollar limits for student health insurance coverage are $100,000 for policy years before September 23, 2012 and $500,000 for policy years beginning on or after September 23, 2012 but before January 1, 2014. Your student health insurance coverage puts a policy year limit of $500,000 for each Injury or Sickness that applies to the essential benefits provided in the Schedule of Benefits unless otherwise specified. If you have any questions or concerns about this notice, contact Customer Service at 1-866-948-8472. Eligibility

All Undergraduate and Graduate students are eligible and enrolled in this plan unless proof of comparable coverage is provided.

Eligible dependents of insured students may enroll in the plan on a voluntary basis.

If you are not certain of your eligibility to participate in this plan, please check with your school.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s spouse (including a party to a civil union established according to Connecticut law) and dependent children under 26 years of age.

Dependent Eligibility expires concurrently with that of the Insured student.

Accident coverage for Intercollegiate Sports injuries is provided under a separate policy issued to Wesleyan University underwritten by UnitedHealthcare, policy number 2013-1058-8. Contact Gallagher Koster at 1-800-499-5062 for information on the Intercollegiate Sports plan. Plan information is also available at www.gallaghrkoster.com/wesleyan.

Effective and Termination Dates

The Master Policy on file at the school becomes effective at 12:01 a.m., August 12, 2013. The individual student’s coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., August 11, 2014. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

Extension of Benefits After Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Totally Disabled on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the termination date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.
