

YMCA Building Committee Records, 1892-1895
Collection 1000-54
Preliminary Inventory

Collection documents the work of a student-lead committee to solicit financial support toward the construction of a new Wesleyan YMCA building (location unspecified). With some faculty and alumni representation, the bulk of the collection records the activities of members of the classes of 1892 through 1894. Includes committee minutes; donation and account books; check books; pledge forms, correspondence, and pledge receipts.
