

Preliminary Inventory
Development Campaign Scrapbook, 1953-1954
Collection Number: 1000-240

Date: 1953-1954

Number of containers: 1 oversize volume

Brief description of collection:

The Development Campaign Scrapbook provides a record of the fundraising campaign through newspaper coverage and donation reports, and details the construction of the Foss Hill dorms, Public Affairs Center, and John Wesley Building (now Malcom X House).

It consists primarily of newspaper clippings, development campaign materials, architectural renderings, and an alumni magazine.
