

Preliminary Inventory
Hubert B. Goodrich Papers
Collection Number: 1000-255

Date: 1920-1963

Number of containers: 1 envelope

Brief description of collection:

The Hubert B. Goodrich Papers contain a portion of the works written by Hubert B. Goodrich, a professor at Wesleyan University, primarily on the subjects of science and biology.

It consists of a list of publications by Hubert B. Goodrich, copies of articles by H.B. Goodrich, drafts, a program for the 14th Annual Meeting of the Association of American Colleges, a transcript probably written by H.B. Goodrich, a book review written by H.B. Goodrich, and a resolution adopted by the faculty of Wesleyan University upon H.B. Goodrich's death in 1963.
