

**Library Reference Department Subject File, 1970-
2003-29
Preliminary Inventory**

This collection is an addition to collection 1999-40 and contains the same type of records from the same time period. This collection documents the activities of the humanities and social sciences-based reference department in Olin Library and includes information on the Sirsi and Notis automated library systems; instruction activities of the department including faculty, new students, and honors thesis writers; budgets; library collections information; general Wesleyan reference files; and correspondence with Wesleyan faculty member Annie Dillard (1988).
