

Karl D. Hartzell Papers
Collection Number: 2006-1

Envelope of material received from Karl D. Hartzell, (b.January 17, 1906-) Wesleyan Class of 1927.

Over the years, Mr. Hartzell has donated a small amount material, mostly writings, which was put in the vertical file. Due to lack of space, some of this material has now been removed from the vertical file and placed with the collection.

In May 2000, Karl Hartzell gave Wesleyan the diaries of his mother, Bertha V. Drew Hartzell (collection number 2000-22).

Clippings related to Karl Hartzell can be found in the class files of the Vertical File Collection, in Special Collections and Archives.
