Dear Student,

In an effort to further advance our students beyond the classroom, Wesleyan University has partnered with EverFi to help students address critical life skills such as alcohol abuse prevention and sexual assault prevention. As part of our comprehensive prevention program for new students, Wesleyan requires you to complete AlcoholEdu and Haven. These online courses will empower you to make well-informed decisions about issues that affect your college years and beyond. Failure to complete these courses will result in a hold being put on your registration.

To begin:
1. Sign in to your Wesleyan Portal, click on the Student Information drop down, and click on the link for AlcoholEdu & Haven.
2. On the registration page you may be asked for additional information to complete the creation of your account. You will not need to create an additional username or password.
3. Click “Add a Course” in the top right corner of your dashboard to ensure you are enrolled in both AlcoholEdu and Haven required courses.
4. You may log in and out of the course at the end of each section. Section ends are marked with a “Next” button. DO NOT log out until you click the “Next” button or you will have to repeat the section you have just gone through.
5. To log back into your account, always access AlcoholEdu and Haven from your Wesleyan Portal.

Other Important Information:
- You will need Internet access and audio capabilities. If you do not have internet, please check out available sites in your local community (e.g. local library).
- To avoid technical issues, please use any major web browser released within the previous two years.
- You may take the courses in multiple sittings.
- The courses may include surveys to help personalize your experience and measure students’ attitudes and behaviors. All survey responses are confidential; the school will only receive information about the student body as a whole and will never see individual students’ answers.
- Should you experience problems, technical support is available 24/7 and can be accessed from the “Help” link within the course.

PLEASE READ THE FOLLOWING CAREFULLY:

You are required to complete AlcoholEdu and Haven. We urge you to access all courses so they are added to your EverFi dashboard before beginning any of the content.
