

The Transfer Connections Program Fall 2011

The Transfer Connections Program helps facilitate the transition of incoming sophomore and junior transfer students to Wesleyan. Students who transferred to Wesleyan last year have volunteered to be your connection, or contact point, over the fall and spring semesters to answer your questions and help you get settled into campus life. Their perspectives and experiences can be very helpful as you look towards your arrival at Wes.

Please let us know whether you would like to be a part of this program and return the form below by Friday, June 24 by mail or email. We are all looking forward to meeting you.
