To the Parents of Incoming Students:

I have important time-sensitive information to help you ensure your student is prepared for the 2015 fall semester.

Here at Wesleyan University we have established the WesCard Program, an essential component to the college living and learning environment. All Wesleyan students receive a personalized identification card, the WesCard. More than just an identification card, the WesCard is required for exclusive access to residence halls, athletic facilities and various campus events. It also serves as your student’s dining and library card and houses the exciting Middletown Cash program.

Middletown Cash is a flexible spending debit account that is used to cover everything from textbook to dining out to pharmacy needs to laundry, and more — without needing a credit card or cash. With Middletown Cash on their WesCard, students can get what they need. Please see the enclosed brochure for additional information on how and where Middletown Cash may be used.

Making a deposit into your student’s Middletown Cash account right away is easy. Just return the attached deposit slip with your check or visit us at wesleyan.edu/wescard to deposit on line via credit card and to read more about the WesCard and Middletown Cash Program. Once funded, the account balance will decline with each purchase your student makes and you can make additional deposits instantly at anytime throughout the semester.

Conveniently, balances roll over from term to term and year to year. With Middletown Cash, there are no fees, no chance of overdrawing the account, and no need to carry cash around campus. However, unlike an ATM card, the funds are not available for cash withdrawal and refunds are only available after the student leaves the University. For complete information, please read the Terms and Conditions section on our website listed above.

Please contact me if you have questions or comments about the WesCard Program — I'd like to hear from you.

Sincerely,

Cathy Lee Rizza
Assistant Director of Student Accounts/WesCard Office

It's easy to see why the Wescard is your passport to life—it's all you need to make it through a day at Wesleyan.

MIDDLETOWN CASH—THE WAY TO PAY

Your Wescard comes with a stored-value account called Middletown Cash. Middletown Cash is the convenient, cashless way to pay for your purchases on and off campus. To use it, simply deposit money into your Middletown Cash account and the balance will decline with each purchase you make.

Middletown Cash is accepted at Bread Street Books and some of Middletown's most popular off-campus businesses. So forget about carrying cash, checks, and credit cards—if you've got Middletown Cash, you've got the way to pay.

PLAN FOR THE NEW SEMESTER

In the semester budgeting chart shown below, you'll see what the typical student at Wesleyan spends per semester. You must deposit $5 or more to activate your Middletown Cash account.

Deposits to Middletown Cash can be made in a number of ways, including online at wesleyan.edu/wescard. Check out the back of this brochure for a complete list of depositing methods. It's as easy as 1-2-3:

- It's easy to use. It's simple for you or your parents to deposit money into your account. The balance will decline with each purchase you make.
- There are no fees associated with the Middletown Cash Program. However, unlike an ATM card, your funds are not available for cash withdrawal.
- It's debit-free, worry-free, and hassle-free. Since your Wescard isn't a credit card, you never have to worry about running up debt or receiving surprise bills at the end of the semester.
- Know what you're spending. Get up-to-date balance reports and your transaction history—available with a click of the mouse on wesleyan.edu/wescard.
- Your account is safe. Wescard lost or stolen? No problem! Suspend activity on your lost or stolen Wescard at wesleyan.edu/wescard under 'Accounts,' and you'll be covered.
- Please visit our website at wesleyan.edu/wescard for complete information regarding your Wescard.
