

Acknowledgments

We would like to express our gratitude to all those who have contributed to the publication of this volume of *Mind Matters*. We are so thankful for the continued support and assistance of the Wesleyan University Psychology Department, and are especially appreciative of the many faculty members who promote *Mind Matters* among their students and others in the field. In particular, we wish to thank Professor Lisa Dierker, Chair of the Department of Psychology, for her indispensable direction and dedication to our project. We are also grateful to Cathy Race and Margaret Loomer for all of their efforts throughout the year.

We would like to thank the Wesleyan Student Assembly for their generous support, and the staff at Benchmark Printing for their assistance and cooperation. We would also like to thank Arthur Sugden for designing the layout and appearance of the Journal, and *Mind Matters* alumni for their continued support.

The student reviewers, Benjamin Abravanel, Emily Berman, Kaitlin DeWilde, Maxwell Hellmann, Ryan Hoffman, Samantha LaCroce, Rebecca Lange, Christopher Liong, Kathleen Lynch, Matthew Narkaus, Valerie Pucilowski, Justin Spring, and Kelsey Vela, provided invaluable support and were essential in the creation of the Journal. We look forward to working with them in the future.

As always, we are grateful for the love and encouragement from our family and friends.
