## SUSTAINABILITY

In an effort to produce an increasingly sustainable Reunion & Commencement, we will be implementing a number of environmental endeavors over the weekend, including purchasing much of the food available at events from local farmers and vendors, providing ample recycling resources throughout campus, and utilizing some hybrid vehicles and golf carts in place of traditional shuttle vehicles. Help support these initiatives by purchasing carbon offsets to reduce the impact of your travel, carpool to and from campus using our alumni online ridesharing website, and bring your own reusable travel mug or thermos instead of drinking bottled water. Visit [www.wesleyan.edu/rc/2008/sustainability.html](http://www.wesleyan.edu/rc/2008/sustainability.html) for more information. Our graduates will don green ribbons during their commencement ceremony to show their dedication to sustainability. Pick yours up at Registration and wear it proudly as you enjoy your weekend!
