REGULATIONS FOR TRANSFERRING CREDITS EARNED FROM ANOTHER COLLEGE OR UNIVERSITY
AFTER MATRICULATION AT WESLEYAN

Students must comply with the following regulations in order to transfer credit(s) to their transcript for courses taken at other accredited institutions. Study abroad credits during the academic year not earned through Wesleyan will not be transferred. Students should consult the Office of Study Abroad for procedures to earn credit abroad.

1. The course(s) must be discussed with and approved by the appropriate Wesleyan department/program/college chair or designee prior to enrolling in the course(s). The approved Permission to Transfer Credit forms should be submitted to the Dean’s Office.

2. Courses taken elsewhere must be graded. No grade of “P,” “S,” or “CR” will be accepted unless accompanied by a graded evaluation. Grades earned at another institution will not be reflected on the Wesleyan transcript; only credit (CR) will be transferred and posted.

3. Courses taken elsewhere should not duplicate courses taken at Wesleyan University, in which case credit will not be granted or used towards graduation. Exceptions may be made for foreign language courses taken abroad in view of the total immersion in the cultural context of the country.

4. Transfer credit will be awarded upon receipt of a SEALED OFFICIAL TRANSCRIPT sent by the Registrar’s Office of the host institution to the Dean’s Office at Wesleyan University, 237 High Street, Middletown, CT 06459.

5. A minimum grade of C- is required for the transfer of credit earned during the academic year, and a minimum grade of B- is required to transfer summer school courses. NOTE: A higher grade or other conditions may be specified by the department chair or designate for the awarding of credit.

6. No more than the equivalent of 2.00 course credits may be earned during the summer.

7. The final credit amount to be transferred to the Wesleyan transcript will be determined in accordance with Wesleyan’s policy on transfer credit and the evaluation by the appropriate department/program/college. As a guideline, students who entered prior to the Fall of 2000 should consider one Wesleyan unit to be equivalent to 3.50 semester hours or 5.50 quarter hours. Students entering in or after the Fall of 2000 should consider one Wesleyan unit to be equivalent to 4.00 semester hours or 6.00 quarter hours.

Special Instructions:

The Art Department requires that students who intend to transfer Art credit(s) from another institution consult directly with the instructor of the corresponding area of study in that department (not the chair) prior to enrolling in the course(s). Normally the approval will be conditional on the review of the completed work and the instructor will specify the materials needed for the final evaluation as well as the credit amount.

Check the website of individual departments/programs/colleges for additional information or stipulations regarding the transfer of credit.
