Your Plan

Eligibility

Class 1: All Faculty Members and Librarians who work at least .5 Full-Time Equivalent based on 37.5 hour work week, All Administrative Staff who work at least .75 Full-Time Equivalent based on 37.5 hour work week in active employment in the United States with the Employer.

Benefit Amount

Monthly LTD Benefit:

- 60% of your monthly earnings
- To a maximum of \$11500

Definition of Disability

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation; and
- you have a 20% or more loss in indexed monthly earnings due to the same sickness or injury.
- After benefits have been paid for 24 months, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

Elimination Period

The Elimination Period is the length of time of continuous disability which must be satisfied before you are eligible to receive benefits.

LTD benefits would begin after 180 days of disability, if you are disabled, as described in the definition above.

During your elimination period you will be considered disabled if you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury, and you are under the regular care of a physician. You are not required to have a 20% or more earnings loss to be considered disabled during the elimination period due to the same sickness or injury.

Benefit Duration

Your duration of benefits is based on your age when the disability occurs. Your LTD benefits are payable for the period during which you continue to meet the definition of disability up to the Social Security Normal

Retirement Age. If your disability occurs at or after age 62, benefits would be paid for a reduced period of time.

Gainful Occupation

Gainful occupation means an occupation that is or can be expected to provide you with an income at least equal to 80% of your indexed monthly earnings within 12 months of your return to work.

Federal Income Taxation

You may wonder if your disability benefit amount will be taxed. It depends on how your premium — the price of your coverage — is paid.

If your premium is paid with:

- **Pre-Tax Dollars,*** your benefit amount **will** be taxed
- **Post-Tax Dollars,**** your benefit amount **will not** be taxed
- **Both Pre-Tax and Post-Tax Dollars,** a portion of your benefit amount will be taxed

The disability benefit amounts you receive will be reported annually on a W-2. It will show any taxable and non-taxable portions separately.

**Pre-Tax Dollars are dollars paid by your employer toward premium that are not reported as earnings on your annual W-2. They are also dollars you pay toward premium through a cafeteria plan.*

***Post-Tax Dollars are dollars paid through payroll deductions after taxes and withholdings have been subtracted from your earnings. They are also dollars paid by your employer toward premium that are reported as earnings on your annual W-2 and taxed accordingly.*
