Why I chose Wesleyan:

I chose Wesleyan because of its sense of community. As soon as I stepped foot on this campus, I knew that this was where I belonged everyone was so kind and friendly and not one person was boastful about themselves. I also choose Wesleyan because the institution allows for a student to do multiple things inside one's interest, while dipping their toe into different things as well.

Why I want to be a tour guide:

The main reason why I wanted to be a tour guide was to express how amazing an institution like Wesleyan is. Attending an institution like Wesleyan I was very nervous to find a community that would make me feel at home. Upon my arrival on campus, I found a community that welcomed me with open arms. Another reason is because the tour guide that I had during my college search helped move Wesleyan to number one on my list and I feel as if, it is only right I do the same for prospective students visiting Wesleyan.
