Why I chose Wesleyan:

After looking at many schools throughout my college search, I finally got to visit Wesleyan, and it was clear that my search was over. Wes always had a vibrancy that other schools didn't when I thought about it, and I took that as a good sign that it was the right "fit" for me. The students I got to meet while I visited campus were really what set it apart. Each person I met seemed to be involved in something they loved and couldn't wait to tell me all about their love for Wes too. I chose Wes because I wanted to be able to share my passions with the community and learn from those around me.
