The electives can also be courses outside of ARHA, for instance in foreign languages, anthropology, studio art, history, etc. as long as the student makes a case that they advance that student's interests within art history.

**Note:** Any one course may be counted toward only one of these area or period requirements.

**III. Language requirement:**
Proficiency is required in at least one foreign language at the intermediate level. Majors planning to continue study at the graduate level should acquire reading knowledge of a second foreign language before entering graduate school.

Language: ______________________
