List of Wesleyan Courses that satisfy the criteria as an English Language and Literature Pre-Requisite for the Health Professions.

For this pre-requisite, English must be the spoken and written language for the discussion and written assignments for all the courses. You may use the courses below as a comparison for a chosen course that is not on this list. If you still feel uncertain about the courses you have chosen to satisfy the ENGL requirement for your application, you may send the Health Professions Advisor/Program Coordinator the course name, prefix (for example ENGL or AMST) and course number by email, the course will be reviewed and you will be provided feedback regarding whether the course can be designated ENGL: mrodriguez01@wesleyan.edu
