A Committee Letter written on behalf of the Wesleyan Health Professions Panel for applicants to Medical, Dental or Veterinary Medicine Programs, and any individual letters of recommendation used in the development of this committee letter, may be posted in PDF format to individual medical schools via a secure electronic transfer system administered by Virtual Evaluations. Access to your committee letter will be limited to those US schools to which you are an applicant. At the end of each application season, all letters will be purged from the system. If you do **not** wish to have your letter sent using this system, you will need to **inform us in writing**, no later than 30 May 2020. Please address any questions to Mildred Rodríguez, PhD, Health Professions Advisor and Co-Chair of the Health Professions Panel, Gordon Career Center, Wesleyan University, 860/685-2180.

I consent to having my health professions committee letter and any individual letters of recommendation transferred electronically to the US medical schools to which I am applying.
