

HEALTH PROFESSIONS PANEL COMMITTEE LETTER ACTIVITY / EXPERIENCE / EXTRACURRICULAR DETAIL WORKSHEET

Use this worksheet to list below in chronological order, from more recent to past, your various activities, interests, research, publications, honors/awards, study abroad, internships, extracurricular involvement, work, volunteer and clinical experience throughout college and post-college (if applicable). Indicate date or duration of activity, e.g. June 2013 - August 2014 and please include hours per week for jobs and include total hours thus far for shadowing, volunteer work, and community service experiences that are ongoing or have been completed. The activities, experiences and extracurriculars will be classified into two areas: **(1) Health and Science (2) Employment, Service to the Community and Extracurricular Activities**. Health and Science will include a separate entry for clinical /patient care/hospice/shadowing experiences, academic pursuits such as research, tutoring, and serving as a Teaching Assistant. Under Employment, include entries for all the positions you feel have afforded you the opportunity to gain skills that will be relevant to your future career. This document may be as long as necessary since you will be listing in detail all of your experiences. After completing the worksheet and organizing all of your activities/experiences, the NEXT step is to take all of this information and create a document that looks more like a RESUME but is NOT limited to one page. See the Health Professions Panel Committee Letter Resume TEMPLATE included in the **“Instructions and Overview of the Committee Letter Request and the Timeline for Medical, Dental and Veterinary Medicine Applicants”** handout on the HP website. This detail worksheet will also assist you in completing the Activities/Experiences section of the primary or centralized application to the Health Professions Program you are applying to:
