Applicants for other health professions can be provided a “Letter Packet” (see **page 9**). *Please note that alumni must request the committee letter within five years after graduation i.e anyone that graduated in 2015 would not be eligible for a committee letter but will be able to request a letter packet.*

**ATTEND the Health Professions Essential Meeting**, this is **highly** recommended for applicants planning to apply to medical, dental, or veterinary school for entrance in **fall 2023**. This virtual meeting will be held **Monday, 11 October 2021, from 6:00-8:00 PM via Zoom, please go to Handshake to find this event and register.**

**READ** this entire **36-PAGE Handout** including the “**Timeline for ALL Applicants**,” on pages 9-11 and take a look at the relevant portions of the “Health Professions” webpage on the Gordon Career Center (GCC) website at: <http://www.wesleyan.edu/careercenter/students/health/index.html>

Fill out the Instruction Overview Signature Page (**page 2**), then sign and return it to Rosalind Adgers.

**REQUEST a COMMITTEE LETTER FILE** through the **Gordon Career Center\***. **Complete the Committee Letter File Registration Form** and make an appointment to see Rosalind Adgers, the Health Professions Administrative Assistant (HPAA). *All of her appointments will be via Zoom and can be scheduled on Handshake* at <https://www.wesleyan.edu/careercenter/students/schedule-an-appointment.html> . In preparation for your appointment with the HPAA you must also complete these forms: “Request for a Committee Letter of Recommendation on behalf of the Wesleyan Health Professions Panel,” “Request for a Letter of Clearance,” “Document Transmittal”, “Request for a veCollect Account”, and the “Request for the Wesleyan Transcript,” and if eligible “Request for the Registration Fee Waiver Form.” These documents **MUST** be received at the time of your **appt with Rosalind Adgers**. We attach these LORs to the **committee letter file** when we are ready to upload the committee letter file to the **primary centralized application (AMCAS, AACOMAS, AADSAS, VMCAS, TMDAS)**. We forward this committee letter file to allopathic medical, osteopathic medical, dental, or veterinary medicine schools (**30 July - 12 August 2022**). To open a veCollect account, complete the veCollect Account Request Form. You may receive an additional three letters for a total of six letters of recommendation in veCollect. **REQUEST INDIVIDUAL LETTERS of RECOMMENDATION, complete the "Request for Individual Letters of Recommendation Form"** and return to Rosalind after your first meeting with her. Ask individuals who know you well and have taught you or supervised your work, to write on your behalf. Give them sufficient time to complete the letters before the deadline on **16 March 2022**. At least **one letter MUST be from a Wesleyan University FACULTY OR STAFF** and it is advisable to have one letter from a science faculty member (some medical and dental schools **may require two science LORs**). See **page 20** of this handout and visit the Health Professions website at <http://www.wesleyan.edu/careercenter/students/health/panel-letters.html>. Click on "Writing Guidelines for Individual Letters of Recommendation" for handouts to provide to your letter writers and see the AAMC Letters of Evaluation Guidelines Brochure at: <https://www.aamc.org/initiatives/admissionsinitiative/letters/>.

**REQUEST** official transcripts from **all colleges and universities** where you have taken courses and have them sent to **Rosalind Adgers**, for your Credential Service file, these can be sent anytime between **16 SEPTEMBER 2021 – 16 MARCH 2022** (see page **23**). For the Wesleyan transcript, you will need to **complete the Request for the Wesleyan Transcript Form** and return to **Rosalind Adgers**, for your Committee Letter File by **16 MARCH 2022**. These transcripts are for our **internal use ONLY** and will be uploaded to your veCollect file for the Health Professions Panel review of the committee letter file between June and August of 2022 (see page 13). Our office does not send transcripts to health professions schools.

**COMPOSE** your committee letter resume from your **COMPLETED** "Activity/Detail worksheet" describing each of your activities and experiences (pages 28-29). For each experience or activity include: (1) the name of activity or organization, (2) title or role, (3) number of hours per week, (4) dates of involvement, (5) a short description of specific duties, tasks, responsibilities, or accomplishments, and (6) name of your supervisor(s). **A word doc version of the "Activity/Detail worksheet" may be downloaded to your computer and MUST be TYPED. This document must be uploaded to veCollect as a word document.** To access this template go to: <http://www.wesleyan.edu/careercenter/students/health/credential-service.html>

**WRITE and SUBMIT** a 2-3 page **PERSONAL STATEMENT**. (See the “Personal Statement” section at <http://www.wesleyan.edu/careercenter/students/health/panel-letters.html> and other GCC library resources in Olson Commons for guidance.) There will be a **Personal Statement Writing Workshop on Monday, 18 October 2021, Room 114, Boger Hall, from 6:30-7:50 PM.**

**SUBMIT** your personal statement, resume and accompanying detail/activity summary forms (via veCollect), and official transcript(s), completed "Request for Preparation of a Wesleyan Health Professions Committee Letter" form, "Request for Letter of Clearance" form and signed "Document Transmittal", "Request for a veCollect Account", and the "Request for the Wesleyan Transcript" form via email to **Rosalind Adgers** at [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu) between **16 SEPTEMBER 2021 – 16 MARCH 2022** and make an appointment with her on Handshake at <https://www.wesleyan.edu/careercenter/students/schedule-an-appointment.html>.

- **At least three (3) letters of recommendation (LORs) are received by 16 March 2022;**
- **Your committee letter interview takes place no later than 1 May 2022 (the deadline)**
- **You are planning on taking the MCAT by the last test date in July 2022 or earlier (preferable).** It is highly recommended that you take your MCAT with enough time to have your scores available when choosing the medical schools you will be adding to your application list and to determine if you feel your application will be sufficiently competitive. If you decide you to take the MCAT again, consult with your health professions advisor regarding the timing.
- **You have filed the centralized application (AMCAS, AACOMAS, TMDSAS, AADSAS, VMCAS) to medical/dental/veterinary school by 15 July 2022.** It can take 4-6 weeks to process, verify and transmit your centralized application to the schools. The medical schools, in turn will send out their own applications (the “secondaries”). Ideally, all application materials should be in the hands of the medical schools by the end of August. (this includes the centralized application, secondaries, and the committee letter file or letter packet).
- **Please note our “official timeline” to upload the committee letter files to AMCAS/AADSAS/AACOMAS is 30 July through the second Friday of August 2022. You may need to ask medical/dental schools for a time extensions, regarding the arrival of our committee letter file.**

## veCollect Instructions

**Read** this entire set of instructions. Access to veCollect will only be given to applicants pursuing applications to health professions schools. veCollect is used internally as part of our committee letter process, the health professions programs you are applying to will only have access to what we upload to the primary application as part of the committee letter file or a letter packet (**page 9**).

All applicants to Medical, Dental, and Veterinary Medicine requesting a Committee Letter on behalf of the Health Professions Panel must utilize this service to collect the individual letters of recommendation which will be included as part of the committee letter file or letter packet. veCollect is also utilized to have the applicants upload their health professions resume (**page 28**), transcripts, personal statement and extracurricular detail worksheet. **All of these documents along with a draft of the committee letter are reviewed from June thru August by the Health Professions Panel in finalizing the draft of the committee letter\*\*** to be uploaded to your primary application (see adding Quivers on **page 16**).

Applicants requesting a Letter Packet for application to other health professions such as, Optometry, Physician Assistant, Pharmacy, Nursing, Podiatry, Physical Therapy and Occupational Therapy will also have access to veCollect. For letter packets, applicants will only need to have the individual letters of recommendation uploaded and the cover letter [See The Letter Packet Instructions Handout on the HP website].

## Request a veCollect Account:

Upon opening a committee letter file, submit a veCollect Account Request Form along with the Request for a Committee Letter [the form is available on the committee letter request webpage].

You will receive an **Authorization Code** from the HPAA, Rosalind Adgers. Go to <https://collect.virtualevals.net> and click on "Register for Access" in the upper right-hand corner of the screen. Follow the instructions, note that Wesleyan is one of two schools under Connecticut. Once you create your account, Bookmark the Website. Along with these detailed instructions, please review the **veCollect Overview** at <https://www.wesleyan.edu/careercenter/students/health/committee-letter-request.html> This document provides screen shots of the step-by-step process to set-up your account. Please use this resource as you follow these detailed instructions.

You will receive a notification by email from veCollect when your account is activated and may then begin to use veCollect. If you forget your log-in information click on the "*Having Trouble Logging In?*" prompt and follow the instructions to regain access.

Below are some general instructions to help you begin setting up your account. veCollect has a number of short instructional videos that you may access as a resource. You must complete all of the steps to set-up your veCollect account by the **1<sup>st</sup> of May (including setting up your 'Quivers')** in preparation for the committee letter file reviews. It is very important that you follow all of these instructions very carefully given that the Health Professions Panel will not be able to review your committee letter file if any of your documents are missing or your Quivers have not been set-up (see **page 16**). Note, letter packet files **do not** undergo review by the Health Professions Faculty Panel.

### The "My Evaluators" Tab:

#### **Step One:**

Students need to create both an Evaluator AND Letter Record for each person that will be submitting a letter on their behalf, INCLUDING one for the **Committee Letter** or for a Letter Packet:

- Click on "Add New Evaluator" to set up records for each letter-writer. Enter the contact information for each evaluator, including their accurate email address. Then click Create Evaluator Record. Set up a "send letter request email for each evaluator"
- Set up an evaluator record for the Committee Letter, using the following information:

Title: Dr.

First Name: Mildred

Last Name: Rodríguez

Address: Boger Hall, 41 Wyllys Avenue

City: Middletown

State: CT

Postal Code: 06459

Email: [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)

Phone: 860-685-2180

Applicants **should not send a letter request email** for the Committee Letter, the committee letter files will be uploaded from 30 July through 12 August 2022 directly to the centralized application service.

For those of you applying to **both MD, DO schools, and/or TMDSAS (or any combination of these)**, we create three separate copies of the committee letter, one has your AAMC ID # (and AMCAS Letter ID #), another copy has your AACOMAS ID # and a third copy of the committee letter will have the TMDSAS ID #. You will need to create a **separate** Evaluator Record on veCollect for the copy of the committee letter with the AACOMAS ID # and the TMDSAS ID #. This will allow us to

distinguish which letter to upload for the DO School Quiver and TMDSAS Quiver (see Create a Quiver on **page 13**) **Re-Applicants** see below how to designate your new updated committee letter.

- Set up an evaluator record for the Committee Letter for **AACOMAS/TMDSAS** using the following information:

Title: Dr.

First Name: Mildred

Last Name: Rodríguez AACOM or Rodríguez TMDSAS (for the TMDSAS Quiver)

Address: Boger Hall, 41 Wyllys Avenue

City: Middletown

State: CT

Postal Code: 06459

Email: [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)

Phone: 860-685-2180

- For those requesting a letter packet, set up an evaluator record for the **Letter Packet cover letter** using the following information and everything else stays the same (address, email and phone same as above):

Title: Dr.

First Name: Mildred

Last Name: Rodríguez LettPacket

### **Re-Applicants:**

- If you are a **Re-Applicant** you will be provided an updated committee letter of recommendation. The new Committee Letter will be an update, including your most recent activities, experiences, achievements, etc. This updated Committee Letter will contain the new AMCAS Letter ID # [which is generated every year]. The previous Committee Letter will become an extension of this updated letter so that it is all in one file. To distinguish this “newer” committee letter from the previous copy in your veCollect file, follow the instructions below:

Title: Dr.

First Name: Mildred

**Last Name: Rodríguez MED 2022 (2022 is your application year)**

**or Rodríguez TMDSAS 2022 (for the TMDSAS Quiver) or Rodriguez AACOM 2022 (for the osteopathic programs) or Rodríguez DENTAL 2022 (for dental applicants).**

Address: Boger Hall, 41 Wyllys Avenue

City: Middletown

State: CT

Postal Code: 06459

Email: [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)

Phone: 860-685-2180

If you are asking a previous “Evaluator” that submitted an individual letter of recommendation on your behalf for a past application cycle to update their letter, create a new evaluator and letter record including NEW after the letter writers last name so that you can distinguish it from the previous letter. Then add that “NEW” Letter Record to the new MED QUIVER 2022. The updated letter [with a more recent date] when submitted will replace the previous letter. First, always request that your letter be updated by speaking with your recommender. Once the evaluator agrees to update and re-submit their letter, you can simply click the envelope icon within their evaluator record to send the veCollect email request. Remember to advise the evaluator to look out for an email from veCollect (the email may go to their junk mail). **The email sender will look like this:**

**collect+3d2a24..coob13d5ffe11@virtualevals.org** Which is basically the word 'Collect+' with a series of random letters and numbers that will be specific to your veCollect ID which is generated by Virtual Evals to collect your letters.

## The "My Evaluators" Tab—The Letter Record:

### Step One:

Once you create an Evaluator Record you will complete the steps for the Letter Record for each person that will be submitting a letter on their behalf, INCLUDING one for the **Committee Letter** or for a Letter Packet:

- Click on “Add New Evaluator” to set up records for each letter-writer. Enter the contact information for each evaluator, including their accurate email address. Then **click Create Evaluator Record**. Set up a “send letter request email for each evaluator

### Step Two:

- Under the name of the evaluator you just created, click **Create New Letter Record**. Select the type of school you are applying to (i.e. Medical, Dental, etc.). Students applying to Medical School, whether allopathic MD programs, osteopathic DO programs, MD/PhD programs, or any combination, should select **MEDICAL SCHOOLS as the Letter Type**.

- On this page, you **must** provide a response and signature regarding the FERPA statement [type your name in the box]. Then click **Create Letter Record**. In **waiving** your right to see the individual letters of recommendation (LORs), the admissions panel at the health professional school you are applying to will consider the LORs to be an accurate and more transparent review of your competitiveness as an applicant. The committee letter is confidential and the individual LORs must also be confidential since they will be included in the committee letter file. The letter writers will see the FERPA notice. You will NOT be able to see any of the documents uploaded to veCollect.

- For the **Committee Letter Process or the Letter Packet Request**, you will ALSO need to complete a “Request for Individual Letters of Recommendation Form” for each individual letter writer waiving your rights to see the LORs and return those forms to Rosalind Adgers. [This form is available on the Committee Letter Request webpage and the completed forms must be returned by 16 March 2022.]

### Step Three:

Notifying your Evaluators on VeCollect:

When looking at the “My Evaluators” page, you will see a clickable “envelope icon” next to the letter records:

- When you are ready to notify an evaluator to submit their letter, click on the  envelope icon to send an email to them. The email will contain all the instructions they need to submit their letter to veCollect. Inform the evaluator to look out for an email from veCollect, it may go to their junk mail. **The email sender will look like this: collect+3d2a24..coob13d5ffe11@virtualevals.org** Which is basically the word 'Collect+' with a series of random letters and numbers that will be specific to your veCollect ID which is generated by Virtual Evals to collect your letters.

- When an evaluator has submitted their letter, a red Adobe Acrobat (PDF) symbol will appear within the evaluator record. Please note: It takes 1-3 business days from the time a letter is submitted for the letter to be matched to your account using your veCollect account number. If you hover over the symbol with your mouse, it will tell you the date the letter was received.

If possible, applicants should request the letter in person before sending the email request to their letter writers. See the "Requesting Letters of Recommendation" section in the "Instructions and Overview of the Request for the Committee Letter of Recommendation" handout (page 20) and recommendations on our website, for who, how, and when to ask for an individual Letter of Recommendation (LOR). ALL LORs **must have the letter writer's signature**.

#### **Step Four:**

##### **This is not required for the Letter Packet\*\***

For the committee letter process, create an Evaluator Record entry for YOURSELF and a separate Letter Record in order to upload each of your supporting documents separately, for example:

First Name: *YOUR FIRST NAME*

Last Name: *YOUR LAST NAME* (add here the descriptor of the document to be uploaded)

Address: 45 Wyllys Avenue, BOX 34521

City: Middletown

State: CT

Postal Code: 06459

Email: [XYZZYX@wesleyan.edu](mailto:XYZZYX@wesleyan.edu)

Phone: (111) 222-3333

FOR EXAMPLE:

**Letter Record 1:** YOUR FIRST NAME: Jane

**Letter Record 1:** *YOUR LAST NAME* Doe Resume (**Jane Doe Smith Resume**)

**Letter Record 2:** *YOUR LAST NAME* Personal Statement (**Jane Doe Personal Statement**)

**Letter Record 3:** *YOUR LAST NAME* Worksheet ( for the **Experiences/Extracurricular Detail Worksheet**)

Complete a "send email request" for each document to yourself to receive the request to upload each of your documents separately to veCollect.

When you receive the three emails from veCollect you will upload your Committee Letter Resume, the Health Professions Activity/Experience/Extracurricular Detail Worksheet, and your finalized Personal Statement. Do not send multiple documents to the same email request, because the document will overwrite the document you uploaded first.

#### **Step Five:**

Create an **Evaluator Record** entry so that we can upload your **Transcript(s)** for the perusal of the Health Professions Panel. You will designate this as "**Other**" for the **Letter Record** in order to upload that document (this step is NOT required for the Letter Packet requests). Rosalind Adgers will upload your transcript, she **will not upload these by the March deadline**. She will upload the transcripts by mid- May and with plenty of time so that the panel members can view these when they begin the review process. Include Transcript as part of Rosalind Adgers last name (see below).

#### **Evaluator Record:**

First Name: Rosalind  
 Last Name: Adgers TRANSCRIPT  
 Address: Boger Hall, 41 Wyllys Avenue  
 City: Middletown  
 State: CT  
 Postal Code: 06459  
 Email: [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)  
 Phone: (860) 685-3376

Letter Record: “*Other*” from Rosalind Adgers

### The “My Institutions” Tab

Applicants **must NOT** enter their selected medical, dental, veterinary medical schools into this section. The HPAA will be creating a file using a “Load and Merge” function on veCollect and will then upload the committee letter file directly to AMCAS, AACOMAS, AADSAS, TMDSAS and the VMCAS (vet school). If you are applying to a school that does not participate in AMCAS, AACOMAS, AADSAS, VMCAS, TMDSAS; you will need to provide a complete postal address for that school and we will mail your committee letter file to that specific school.

### The “My Quiver” Tab

In preparation for the receipt of individual letters of recommendation:

- Create a Quiver by clicking on “Create New Quiver”
- In the description, refer to the program type, i.e. MD Quiver, DO Quiver, Dental Quiver, TMDSAS
- Select all of the letters to be included in the committee letter file or Letter Packet File, INCLUDING the Committee Letter (even if it has not been uploaded yet) or Letter Packet Cover Letter. You may collect more letters in your account than you end up adding to your Quiver. Your Quiver is limited to 7 letters plus the Committee Letter or letter Packet Cover Letter.

### If an applicant is applying to MD, DO programs or to Texas schools—the TMDSAS:

You will need to create three Quivers (one for each program type). Students will assign the appropriate letters to each Quiver. For example, there may be a letter from a D.O. that you might prefer to be included only in the DO Quiver or in the DO Letter Packet Quiver.

- **Create a Quiver** for the documents you have uploaded. This Quiver will be referenced by your full name/supporting documents, e.g. **Mary Smith Supporting Documents**

A Supporting Documents Quiver is **not** required for the **Letter Packet Request**.

- The **MD, DO, TMDSAS, Dental, or Veterinary Medicine School Quiver** that you create **should include the committee letter from Mildred Rodríguez** (AACOM version for the DO Quiver, TMDSAS version for that Quiver), the individual Letters of Recommendation (LORs) that you would like us to include as part of the committee letter file, and the Health Professions Resume ( e.g. Jane Doe Smith Resume) you prepared as per the attached **TEMPLATE (page 28)**

- The **“Applicant” Supporting Documents Quiver** will include your committee letter resume, personal statement, transcript- from Rosalind Adgers, activity detail worksheet (which for most of you appears as “Other”), and the committee letter from Mildred Rodríguez. This quiver is for the HP Panel Members Review of your file. The HP Panel members need to see all of your documents in one place. Your file will **NOT be reviewed if this quiver has not been created**. This will delay the upload of your committee letter file to the primary application (AMCAS, AACOMAS, AADSAS, TMDSAS)

- The **MD, DO School, Dental, Letter Packet Quiver** that you create should include the cover letter from Mildred Rodríguez (AACOM version for the DO Letter Packet Quiver) and the individual Letters of Recommendation (LORs) that you would like us to include as part of the letter packet. You **do not** need a Supporting Documents Quiver.

- **Do not “Process & Lock” any of the Quivers at any time.** This is very important since these documents will be made available to the Health Professions Panel members. The Panel will review the supporting documents and the committee letter as part of the review process before we finalize the draft of the committee letter.
- **Please note that when you “Lock” a Quiver** you are not able to add or remove documents from that Quiver, you will need to have free access to your veCollect Quivers at all times.
- **Re-Applicants:** You will need to create a NEW Quiver for the current cycle. Please title the Quiver using the application year (**2022**) or entry year (**e.g. Medical School 2023 EY Cycle Quiver**). Re-applicants **do not need a new Supporting Documents Quiver.**

### Ready for Upload

When the committee letter is done, the PDF symbol will appear in the box for the committee letter record. The Official Timeline for Committee Letter uploads for this cycle is between 31 July-12 August 2022. Once you have set up your Quiver(s), confirm that all of the expected letters of recommendation have been received by your veCollect account, including the Committee Letter or Letter Packet Cover Letter. Each Quiver that you have created needs to be checked so that it contains ALL the letters you would like Wesleyan to upload on your behalf to the health professional schools to which you have sent applications. Once you have completed your veCollect Set-Up, please contact Rosalind Adgers so that she can confirm that everything has been done correctly. At this point you must also prepare to submit your Signed Request for your Committee Letter Upload by 15 June 2022. No letters will be sent out without this request. **You may ask medical/dental schools for a time extension, regarding the arrival of our committee letter file.** Address your questions regarding veCollect to Rosalind Adgers, HPAA, (860) 685-3376 or by e email at [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)

### Committee Letter File or Letter Packet UPLOAD per The Buckley Amendment

By Federal Law as per The Buckley Amendment, your committee letter file or letter packet, including the individual letters of recommendation on file with veCollect will only be sent out to the health professions programs **after** you have submitted to the Health Professions Administrative Assistant, Rosalind Adgers, a written request containing your signature, your AAMC, AMCAS Letter ID, AACOMAS, AADSAS, VMCAS, and/or TMDSAS ID number(s), your preferred email address, and a tentative list of the health professional schools to which you may be applying. We will accept **signed requests** delivered in person, received by postal mail, scanned and sent as a PDF by email, and faxed requests to 860-685-2181, however, **telephone and unsigned email requests will NOT be accepted**. If faxing, please follow-up with an email message indicating that a request has been faxed to [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu)

### The Committee Letter Designation on the Centralized Application

If you have requested a Committee Letter from Wesleyan, and have met the deadlines, you will indicate committee letter when completing your primary application. In the AMCAS application for example, this entry generates a unique AMCAS Letter ID # for the Wesleyan committee letter. The Committee Letter file from Wesleyan consists of a (1) cover page that describes the committee letter file review process, (2) the Committee Letter, (3) the Committee Letter Resume, and (4) the individual Letters of Recommendation on behalf of the applicant that have been uploaded to veCollect.

Shown below is a screenshot of the “Add a Letter of Evaluation/Recommendation” page of the AMCAS Instruction Handbook. There are three types of letters that can be uploaded to AMCAS, the applicant must select a type of letter and enter the evaluator information. You may add a separate “individual letter writer” even after submitting the AMCAS having selected committee letter as your first entry.

#### Types of Letters

Each letter type, regardless of the actual number of letters it contains, is only one letter entry.

- **Committee Letter:** A letter authored by a pre-health committee or pre-health advisor and intended to represent your institution’s evaluation of you. A Committee Letter may or may not include additional letters written in support of your application. This is sometimes called a Composite Letter.
- **Letter Packet:** A packet or set of letters assembled and distributed by your institution, often by the institution’s career center. A Letter Packet may include a cover sheet from your pre-health committee or advisor; however, in contrast to a Committee Letter, a Letter Packet does not include an evaluative letter from your pre-health committee or advisor.
- **Individual Letter:** A letter written by, and representing, a single letter author. If you have already included an Individual Letter within either a Committee Letter or a Letter Packet, you should **not** add a separate entry for that letter.

If a Committee Letter or Letter Packet is sent to AMCAS, the **entire** Committee Letter or Letter Packet will be sent to the schools you've designated to receive this letter entry. **AMCAS will not split packets or remove a letter from your packet** once it has been received. Therefore, if you wish to send a letter specifically to one medical school, you should enter this as an Individual Letter and have it sent separately from the packet.

## Selecting Letter Writers and Requesting Individual Letters of Recommendation

Medical/Dental schools are interested in seeing letters of recommendation from your professors (at least one in the sciences), employers, and others who have supervised you and can provide comments based on their observation of your performance. Consider individuals that know you well, that are able to write a supportive letter while discussing your skills, personal attributes, intellectual ability and potential as a health professional. The diversity of your letter writers will provide the admissions board a well-rounded perspective of you as an applicant.

At least one letter **MUST** be from a Wesleyan University **FACULTY OR STAFF** and it is advisable to have one letter from a faculty member from your chosen major and/or the sciences (some schools require two letters from science professors (this may include a letter from your research supervisor or PI, check for specific information on the various HP school's website)

**Provide your letter writers with a packet** consisting of a cover page that includes: your name, major(s), minor/certificates, graduation year, GPA, a resume, and a brief statement regarding your interest in the health profession you are pursuing. If possible, schedule an appointment to talk to your letter writers about your background and your aspirations for a career in medicine/dentistry/veterinary medicine.

The ideal number of recommendations varies from applicant to applicant. For some applicants, three letters will suffice; others may want to solicit up to six. If you are unsure about whom to ask for a recommendation, or how many letters you should request, talk with the Health Professions Advisor.

Give individuals you have asked to write on your behalf plenty of time to write your letter of recommendation, typically 6-8 weeks in advance. It may take several weeks or more to get your letter written. However, you will need to have at least three letters uploaded to veCollect by the 16<sup>th</sup> of March of the application year. (16 March 2022)

## Instructions for Letter Writers

### Letters of Recommendation for Medical/Dental/Veterinary Schools

Please be sure your letter is dated, includes your full name and title, is printed on **letterhead stationary** and has your **SIGNATURE**. Your letter should be single-spaced and in 12-point type for readability. Because the letter you submit via veCollect will be used for all of the programs the applicant is applying to, letters should not be addressed to any specific school or program. A salutation is not required, but you may address your letters **generically to “To Whom It May Concern or “Dear Admissions Committee Members.”**

If you have been asked to write a letter of recommendation on behalf of a Wesleyan student/alum, it is most helpful if your letter is candid and specific. Please be sure to state in what capacity you know the applicant and how well you know the applicant. Even if you do feel that you know the applicant reasonably well, it is still appropriate to ask for a resume with additional information about her/his/their academic preparation, employment, community service, research experience, and extracurricular activities. Hopefully, you will be able to spend some time speaking with the applicant about her/his/their interest in the field and practice of healthcare.

The admissions committees at the various health professional schools will have access to transcripts and standardized test scores, but it is from letters of recommendation that they can learn more about the applicant as a person. Based on your experience with and knowledge of the applicant, you may want to address some of the following:

communication skills (oral, written, and listening);  
 observational abilities, comprehensive vision, and attention to detail;  
 qualities of mind, such as the ability to grasp, analyze, and synthesize information and ideas;  
 intellectual curiosity;  
 aptitude for sustained hard work and commitment;  
 cross-disciplinary fluency;  
 organizational and problem-solving skills;  
 interpersonal skills, such as tact and thoughtfulness;

integrity and responsibility;  
 personal qualities, such as maturity, warmth, and emotional balance;  
 resilience and adaptability when confronting challenges;  
 contributions to, and concern for, the wellbeing of others;  
 cultural sensitivity;  
 initiative, flexibility, capacity to engage in productive teamwork  
 capacity for improvement and personal growth;  
 reflective capacities, knowledge of limits, and willingness to ask for help.

In assessing an application, admissions committees also consider what is sometimes termed *distance traveled*. If you are aware that the applicant has overcome significant obstacles, weathered trying circumstances, learned from some perhaps regrettable mistakes, or persevered in the face of difficulties out of a sense of responsibility, this may be brought to the attention of admissions committees.

Most importantly, consider what qualities and abilities you value in a health care professional and whether you believe this individual has the capacity to become a skilled health practitioner.

Because there are many individuals who are very capable and well suited for other professions, but not necessarily for clinical practice, make sure that you specify at some point in your letter that you are recommending this person for the specific health profession of their interest.

**Please be sure your letter is dated, includes your full name and title, and is printed on letterhead stationery if you are associated with an academic institution or professional organization (if you do not have letterhead, make sure to include your email address and phone number below your signature).** Your letter should be single-spaced and in 12-point type for readability. Because the letter you submit to veCollect will be used for all the applicant's health professional schools, letters should not be addressed to any specific school or program. A salutation is not required, but you may address your letters generically as "Dear Admissions Committee Members."

You will submit your letter electronically to veCollect. The applicant that has requested your letter will create an "Evaluator" file for you on veCollect and you will receive an email with instructions on how to upload your document. Look out for an email from veCollect, it may go to junk mail. The email sender will look something like this: collect+3d2a24..c00b13d5ffe11@virtualevals.org. Which is basically the word 'Collect+' with a series of random letters and numbers that will be specific to your veCollect ID which is generated by Virtual Evals to collect your individual letters. veCollect reviews the letters and is **unable to accept unsigned letters**. The applicant should have provided you with a signed Individual Letter Request Form that includes a Waiver Statement. Please note that the applicant must indicate that they waive their right to see your letter given that the Wesleyan Committee Letter is confidential and as part of the Committee Letter File, all individual letters of recommendation enclosed must also be confidential. This letter request form also provides you with these basic writing guidelines handout.

**Your signature on the letter certifies that it was written in its entirety by you on behalf of the applicant.** Portions of your letter (including your name and professional affiliation) will be used verbatim in the development of the **committee letter on behalf of the Wesleyan Health Professions Panel**. Moreover, your letter in its entirety will accompany the committee letter and other individual letters of recommendation as a "Committee Letter File" and will be distributed to the schools to which the applicant has chosen to apply.

Should you have any questions about the Committee Letter File process, you may direct them to the Health Professions Assistant/Credential Service Coordinator, Rosalind Adgers, (860) 685-3376 or [health.professions.credential.service@wesleyan.edu](mailto:health.professions.credential.service@wesleyan.edu).

## Submitting Official Transcripts and Your Wesleyan Credits

### In Support of Your Committee Letter

To request that an official copy of your Wesleyan transcript be sent to Rosalind Adgers, complete the “Request for Official Wesleyan Transcript Form” available on the credential service webpage on the GCC website.

By completing the form, the registrar will send us a copy of your official transcript without charging you the \$5.00 processing fee. The credential service does not provide AMCAS or any other centralized application service with our copy of the applicant’s transcript. This copy of the transcript will be used for the Health Professions Panel’s review of your committee letter file on veCollect. You will need to submit official transcripts to the centralized applications as per the directions below.

### For Centralized Applications (AMCAS, AACOMAS, AADSAS, VMCAS, TMDSAS)

Our office does not send transcripts for the centralized applications.

You will be required to submit an official transcript for every college/university attended. You will request these through the registrar’s office. This may be done in person or electronically. To request the Wesleyan Official Transcript go to the registrar’s website to begin:

[http://www.wesleyan.edu/registrar/general\\_information/transcripts.html](http://www.wesleyan.edu/registrar/general_information/transcripts.html)

Here are the step-by-step instructions for when you request a transcript electronically for **AMCAS**:

1. Select ‘Educational Organization, Application Service and Scholarships (other than a school)’.
2. Select AACOMAS - American Medical College Application Service’.
3. Enter 10 digit AACOMAS Account Number (CAS Transcript ID #)
4. Select ‘Electronic Exchange’—this is the only option. Yes, we are an approved school for Electronic Transcript Exchange with AMCAS.
5. Check box.
6. Select ‘1’ copy = \$5.00—this is the only option.
7. Do NOT click ‘Upload Documents’. AMCAS students do NOT need to upload or send the AMCAS Transcript Request Form that gets generated by AMCAS but you will need the Transcript ID Number.

## Wesleyan Credits

When you complete your centralized application (AMCAS, AACOMAS, AADSAS, VMCAS, TMDSAS, etc.) you will find a section on the application where you are entering all of your completed courses. As part of this section you must enter the number of credits exactly as they appear on your official transcript.

The centralized application staff will convert those credits to an equivalent for a four-credit scale to normalize all applicants' academic records.

FYI: Currently, a one credit course at Wesleyan is equivalent to four credits, a 0.75 credit course is equivalent to three credits, a 0.50 credit course is equivalent to two credits, a 0.25 credit course is

equivalent to one credit.

### The Committee Letter Activity, Experience, Extracurricular Detail Worksheet

Use this worksheet to list below in chronological order, from more recent to past, your various activities, interests, research, publications, honors/awards, study abroad, internships, extracurricular involvement, work, volunteer and clinical experience throughout college and post-college (if applicable). Indicate date or duration of activity, e.g. June 2013 - August 2014 and please include hours per week for jobs and include total hours thus far for shadowing, volunteer work, and community service experiences that are ongoing or have been completed. The activities, experiences and extracurriculars will be classified into two areas: **(1) Health and Science (2) Non-Science and Clinical Employment, Service to the Community and Extracurricular Activities.** Health and Science will include a separate entry for each volunteer engagement in clinical /patient care/hospice/shadowing experiences, academic pursuits such as research, tutoring, and serving as a Teaching Assistant. Under Non-Science/Clinical Employment etc, include entries for all the work positions regardless of whether they are relevant to healthcare. In the description you may reflect on how these jobs have afforded you the opportunity to gain skills that will be relevant to your future health career. This document may be as long as necessary since you will be listing in detail all of your volunteer and work experiences. After completing the worksheet and organizing all of your activities/experiences/jobs, the NEXT step is to take all of this information and create a document that looks more like a RESUME but is NOT limited to one page. See the Health Professions Panel Committee Letter Resume TEMPLA<sup>T</sup>E on page 28. This detail worksheet will also assist you in completing the Activities/Experiences section of the primary or centralized application to the Health Professions Program you are applying to, copy and paste this format to create as many entries as needed:

Describe briefly what you did (limit your description to 700-800 characters). Include specific duties, accomplishments, events associated with the experience. If this was a research experience include details about the study (i.e. what was studied, what was your role in terms of procedures, designing experiments, techniques, will you be co-authoring a publication, etc.).

## Institutional Action

When requesting a committee letter of recommendation, you complete a Letter of Clearance Form, which provides the Health Professions Advisor/Program Coordinator with a Letter of Academic and Disciplinary Clearance from the Office of Student Affairs. If you have any record of disciplinary sanctions at Wesleyan, you will receive a copy of this letter, describing in detail the violation (e.g. intoxication, disturbance of the peace, etc.).

For complete transparency, a brief description of the violation is included at the end of the committee letter.

Upon completing your centralized application to health professional programs, you will be requested to disclose any incident that pertains to non-academic conduct violations as well as academic misconduct.

In the AMCAS, the exact language that appears is:

*“If you were ever the recipient of any institutional action by any college or medical school for unacceptable academic performance or conduct violation, you must answer Yes, even if such action did not interrupt your enrollment or require you to withdraw. Furthermore, select Yes even if the action does not appear on, or has been deleted or expunged from, your official transcripts as a consequence of institutional policy or personal petition.*

*Failure to provide an accurate answer to the question about institutional action or, if applicable, failure to complete the form provided by the school will result in an investigation. Medical schools require you to answer the question accurately and provide all relevant information. Medical schools understand that many individuals learn from the past and emerge stronger as a result. Full disclosure will enable medical schools to evaluate the information more effectively within the context of your application.”*

If a health professional school requests a copy of this Letter of Academic and Disciplinary Clearance, please send the request to Mildred Rodriguez, PhD, the Health Professions Advisor, who will send a general cover letter from our office with a **copy of the original letter of Academic and Disciplinary Clearance** to that specific program. Send the request by email to: [mrodriguez01@wesleyan.edu](mailto:mrodriguez01@wesleyan.edu) and include in the SUBJECT LINE of the email: **Request for Letter of Clearance.**

## Releasing the AMCAS/AADSAS Information to the Health Professions Advisor at Wesleyan

Shown below is a screenshot of the “Releasing Information to Advisors” Page of the AMCAS Instruction Manual (there is a similar request on the AADSAS). You are required to release your AMCAS/AADSAS information as part of your eligibility requirements for the committee letter.

### Releasing Information to Advisors

If you wish to authorize AMCAS to release information about your application to the designated Advisor(s) at the school(s) you attended, indicate "Yes." The school-designated advisor(s) have met AMCAS-established requirements and are bound by confidentiality. Information transferred includes your personal/demographic information, MCAT scores, GPAs, the names of your letter writers, and your letter of evaluation types, the names of any other schools you have attended, the medical schools to which you have applied and what action those schools have taken, and the status of your application with AMCAS. Additionally, checking this option allows AMCAS staff to discuss your application with the designated advisor(s) at this school.

## **Applying to Canadian Medical Schools**

There are only 17 medical schools in Canada, and admission is extremely competitive; the admissions rate ranges from 2%-13%. Canadian schools highly favor applicants from their own province. Schools tend to prioritize test scores and grades.

The province of Ontario has the most medical schools (six) and has its own central application service (OMSAS). The application includes much less text than the U.S. application services, AMCAS or AACOMAS. Application opens in July and deadline is in October, with no rolling admission.

The province of Quebec requires fluency in French and the applications are in French.

There are two private medical schools in Canada – McGill in Montreal and Memorial in Newfoundland. They both accept a tiny number of non-Canadians.

The MCAT is required by most Canadian medical schools. Laval University, University of Montréal, and Northern Ontario School of Medicine don't require the MCAT. McMaster only uses the CARS score.

Canadian schools offer significantly fewer interviews than U.S. schools and most have only a handful of interview dates in the winter (typically published on their websites).

Unlike U.S. schools which seem to value advisor input or at least respond to calls or emails with questions or advocacy for a student, most Canadian schools have no interest in input from advisors. The exceptions are McGill and Memorial.

Hence, the official timeline for committee letter uploads is 30 July through the second Friday of August. See a description of the panel review process below.

\_\_\_\_\_ With well over 70-80 Wesleyan applicants on average each cycle, we are not able to do letter submissions that entail online, fill-in forms.

\_\_\_\_\_ **Transcripts:** You will need to request an official transcript from the registrar’s office and have it sent to AMCAS, AACOMAS, AADSAS, VMCAS. (see the committee letter instructions hand-out on page 25 for more details). The transcript in veCollect is for the HP Panel’s perusal.

\_\_\_\_\_ To send “**Individual Letters**” to a medical, dental, veterinary medicine schools **which are separate from the committee letter file** you will need to coordinate with that specific letter writer directly and provide them with the AMCAS “Individual Letter” Request Form, which has a Letter ID number assigned by AMCAS for that specific letter writer. For dental, osteopathic medical schools and veterinary medicine, the letter writers will need the AACOMAS, AADSAS or VMCAS ID # to be included in their letter (preferably on each page).

\_\_\_\_\_ The committee letter file is uploaded by the HPAA. Our office will not transmit other letters unless they are part of the Committee Letter File or part of a Letter Packet, which is an option for individuals that miss the committee letter deadline.

\_\_\_\_\_ Note that for **Caribbean Medical, Foreign Medical or Veterinary Medicine Schools** postal mailing addresses are required if an email address is not available. The committee letter file is sent out by Rosalind Adgers (HPAA), please send her an email with your request and include the following under the email “SUBJECT”: “Committee Letter File Request” The HPAA email is [health.profession.credential.service@wesleyan.edu](mailto:health.profession.credential.service@wesleyan.edu)

We work with the Office of Student Affairs to obtain this official letter of academic and disciplinary clearance. This will be sent out from our office in the Gordon Career Center, please forward the email request to us, copy both Dr. Rodríguez (HPA) and Rosalind Adgers (HPAA). We will send the LOC by postal mail or email depending on the

request from each individual program. The HPAA will send each of you a copy of the official LOC for your records in May 2022.

\_\_\_\_\_ Peruse the Instructions and Overview of the Request for the Committee Letter Handout as a resource throughout this process and the veCollect Overview Handout for any questions you might have about veCollect throughout this process. For any other questions reach out to us and we will get back to you as soon as possible.

### **Timeline of the Committee Letter Review**

Regarding the **Timeline of the Committee Letter Review** and its upload to the various centralized application services, this is a multi-step process. To begin, a first **“Draft”** of the committee letter (**CL**) is written by Mildred Rodríguez, PhD, Health Professions Advisor/Program Coordinator (**HPA**) within a week after the interview. In March, when all of the individual letters of recommendation have been uploaded to veCollect, quotes are selected from these individual letters of recommendation and added to the “body” of the committee letter (**three individual LORs need to be uploaded to the applicant’s veCollect by 16 March 2022**). This **“LOR”** draft of the committee letter is then uploaded to veCollect. After the final exams in the spring through the first week of August, the seven Health Professions Panel members (**HP Panel, please note that the HPA is the Co-Chair of the Panel**) review each “committee letter file” commencing with Applicant #1 (as each applicant is interviewed for the committee letter, a number is assigned to that applicant, the first person to interview is Applicant #1 and so forth). When each “LOR Committee Letter” file is reviewed by the HP Panel, the health professions advisor (HPA) finalizes the committee letter incorporating the HP Panel’s recommendations, formats it by adding the applicant’s name and ID #s to every page and sends it to the HPAA to be uploaded to the centralized applications. The official timeline for upload is 30 July through the second Friday of August.

If you had your committee letter interview in the fall of 2021 and have some important updates for your letter, make an HP Advising Appointment with Mildred Rodríguez, PhD, Health Professions Advisor and Program Coordinator (**HPA**) to add these changes to your LOR draft of the committee letter between January and May 2022.
