Downey 113

Performer, teacher, director RHODESSA JONES is Co-Artistic Director of the critically acclaimed, performance company Cultural Odyssey. Jones founded and directs The Medea Project: Theater for Incarcerated Women, an award-winning performance workshop committed to the personal and social transformation of women, now in its 23rd year.

Angela Wilson (workshop facilitator) is a core member, formerly incarcerated mother, Glama, writer, actress, teacher, stage manager, and activist for THE MEDEA PROJECT: Theatre for Incarcerated Women since her final release in 1999 from San Francisco County Jail.
