

Please arrive at Foss Hill at 10 AM on Wednesday to line-up in order for the ceremony. The map below shows where each group lines-up. Look for the signs indicating your group and alphabetical/numerical position and note the person ahead of and behind you in the order (you need to sit, and process to the podium in order). The procession starts at 10:40 AM, listen for the drums. A faculty Marshal will lead your group's procession. Faculty march first and form an aisle of honor down Foss Hill to Wyllys Avenue. Students proceed through the aisle of honor, then turn right onto Andrus Field and break up into groups that will march down different aisles to their seats. The aisles are marked by signs corresponding to groups and the faculty Marshals will guide you.
