PROPOSED COURSES AT SUSSEX - ARTS AND SOCIAL STUDIES

You should select courses for the entire period you intend to be at Sussex. You are asked to list FOUR courses for each term in order of preference. The normal load is TWO courses per term and every effort will be made to ensure that your choices are accommodated. If there are special reasons why you must take a particular course, you should indicate this by marking it with an asterisk, and explain. The University may be obliged to cancel courses from time to time. Please keep a copy of your course choices for future reference.
