

Purchasing News ~ July 2017 ~

K-Cup Recycling Program: *Grounds to Grow On*

Last month, Wesleyan University launched a K-cup recycling program called ***Grounds to Grow On***. Thanks to the collaborative effort of W.B. Mason, Purchasing Department and Sustainability Office, many departments have placed a **FREE** K-cup collecting bin in their kitchens. If your department does not have a collecting bin yet, and would like to help our campus kitchen spaces more green and sustainable, please see [attached](#) document for instruction on how you can receive a **FREE** collecting bin.

Adorama

With the new academic year approaching, Adorama - one of the nation's largest professional camera, video, audio and electronics suppliers – can help you and your department prepare for fall semester and beyond. Adorama is part of MHEC (Massachusetts Higher Education Consortium), which Wesleyan University is part of. Adorama also offers trade-in option for used photo and video equipment, and you can receive Adorama store credit to upgrade or cash back. For more information, please contact Shawn Bazinet via email at shawnb@adorama.com.

Faculty/Staff Discount Available at Verizon Wireless

Wesleyan University faculty/staff can receive 18% discount on shared data feature from a Verizon account, not on the total of the plan. Registration for the discounts is based on the email domain set up on the account or by a current paystub from your employer. Please see [attachment](#) for details and instruction on how to receive the discount. If you have any questions, please contact Erick Riker via email at Erick.Riker@Verizonwireless.com.

July Promotions Available at Verizon Wireless

For the month of July, Verizon Wireless is offering new promotions on cellphone devices, cellphone upgrades, and accessories. A few promotion examples are \$150 off iPad, \$100 bill incentive credit for smartphones, and free USB card. More deals can be found in the [attachment](#). If you are interested in any of these promotions, please contact Erick Riker via email at Erick.Riker@Verizonwireless.com.
