

Purchasing News ~ December 2017

Correctional Enterprise of Connecticut

Melissa Behney, Diane Klare and Olga Bookas met with Anne Saint and Robert Pescetelli from the Correctional Enterprises of Connecticut (CEC) to hear about their organization and what services they can offer. Correctional Enterprises of Connecticut (CEC) is a unit within the Programs and Treatments Division of the State of Connecticut Department of Correction. CEC's Programs offer inmates opportunities to be productive, learn new skills, be accomplished and responsible, thus aiding in the overall safety and security of the agency.

This is accomplished through voluntary inmate participation in CEC's production shops, which reduce prison idleness, instill work ethic, reduce recidivism and promote skill development.

CEC can offer the following products: Plastic or Aluminum Indoor/Outdoor Signage, Custom Build Furniture, Re-upholstery, Furniture Refinishing, Laser Engraving, Silk Screening, New Office and Dorm Furniture, Metal Fabrication, Print, Embroidery, and Plastic Bags.

CEC also provides Green fabrics and is currently working on a Green cleaning line that will come out in the near future. Please see [attached document](#) for sample images of the furniture. For more information or obtaining a quote on furniture and other services, please contact Anne Saint and Robert Pescetelli.
