WB Mason is implementing a positive enhancement to our current partnership. Julie Bunce, our current sales representative, will be **adding some additional support people to the Wesleyan/WB Mason team**. Moving forward you will see Julie working with other WB Mason associates on campus, or you may have a visit from a new face from WB. Julie will lead the team to ensure Wesleyan University has everything we need to be successful. Some additional associates you may meet are: Kevin King, Taylor Irvine, Hillary Homick, Larry Zapata and Rachael Green.

All inquiries should go through **Jerry Ranando, Customer Service Specialist and Julie as we do today** and when necessary they will ask for support from other team members.
