Prepaid Expenses

- Common types of prepaid expense requests:
  - Reimbursement for airfare for travel occurring after July 1st.
  - Deposits for catalogs and publications relating to the new fiscal year.
Prepaid Expenses

- Examples: Airfare, Conference fees, Subscriptions
Recording Prepaid Transactions

• Enter 3 lines for one expense if the goods or services are to be received after June 30th.

• The third line records the prepaid – use your correct smartkey and account code 13705.

Accruals

- Year end accrual transactions would be required for an item that has been contracted for and will be received by June 30th, but the invoice paperwork will not be received in time to process the AP voucher(s) according to the year end deadlines.

- Common types of accrual requests:
  - Services performed but not yet billed.
  - Travel that occurs during June with documentation received in July.
Year End Accruals
Accounting Process

Have until 10:00 am on July 10\textsuperscript{th} to request accruals.

What does this mean? If you get a fiscal 2023 invoice between July 1 and July 10:

- Complete an Accounts Payable Voucher normally.
- Note in Instructions to AP: Fiscal 2023 Accrual.
- Ad Hoc Susan Pavis at the end of Workflow.
Year End Accruals
Accounting Process

If you do not have an invoice by July 10:

1) A best guess estimate is created for the target transaction/activity requiring an accrual. This estimate can be based on a quote/advertisement etc.

2) The estimate is submitted to Finance (Susan Pavis - spavis@wesleyan.edu). Email notification of this estimate is acceptable.
Year End Accruals
Accounting Process

3) The request for accrual should contain the same information as a normal AP voucher:

- Vendor Information
- Smartkey/account for the old fiscal year to be charged.
- Amount of the accrual (best guess estimate)
- Description of the item (include as much information as possible)
- Authorizations to process the transaction. Use the published guidelines to determine what authorizations are necessary.
Year End Accruals
Accounting Process

4) The originator of the request will receive a confirmation (via email) that the accrual has been received and accepted as valid.

5) The Finance office will process a journal entry to charge the departmental account for the old fiscal year.
Year End Accruals
Accounting Process

6) When the original invoice is received for the accrual item, the AP voucher must be completed as follows.

- Complete the AP Voucher in the new fiscal year as normal with the department smartkey and appropriate attachments.
- AD-HOC Susan Pavis into workflow as an approver.
- Note: F23 Accrual in “Instructions to AP”.
- If Susan Pavis is not notified, there is a possibility that the department will be charged twice for the same item (once in the old fiscal year and for a second time in the new fiscal year).
Year End Accruals
Accounting Process

7) Finance will verify the accrual transaction and process a journal entry that will give the department smartkey a credit to offset the payment.
Examples of the accounting entries can be found at the end of the presentation.
Wesleyan has balanced its budget for 28 consecutive years.
Reports

- Inquiry Reports (Updated nightly)
  - Smartkey Summary
  - Smartkey/Account Subgroup Summary
  - Smartkey/Account Summary
  - Transaction Detail
  - Personnel Earnings Detail
Budget Status

- Use Smartkey Summary for overall budget status. General guideline is:
  - April Month-End = % spent should be approx. 83.3%
  - May Month-End = % spent should be approx. 91.7%
  - June Month-End = % spent should be approx. 100.0%

- Drill down to Smartkey/Account Summary or Transaction Detail to research problem smartkeys.
Budget Checking/Warnings

- Budget Checking occurs at the level at which your department budgets (Attribute = KK Value)
  - TP = Program level
  - TS = Account Subgroup level (e.g., travel)
  - TD = Account detail level (e.g., airfare, lodging)

- Budget warnings (in yellow) indicate that there are insufficient funds for the po, voucher or journal entry at the level at which you budget.
  - You should transfer budget to fund the expense prior to submitting the po, voucher or journal.
  - Transactions with budget warnings may be allowed to be processed depending on the policy for your officer area

- Budget errors (in red) indicate that there are insufficient funds in the smartkey for the PO, Voucher or Journal
  - Transactions with budget errors cannot be submitted to workflow
  - Budget will need to be transferred, or a different funding source will need to be identified, before the transaction can be processed
Budget Transfers

- Budget transfers are not reflected in WFS until they have been fully approved.

Deadlines

- June 29th – deadline for budget transfers to be fully approved.
Payroll Redistributions

- A payroll redistribution is a specialized journal to transfer payroll expenses.

Important dates/deadlines:

- June 5th – deadline for payroll redistribution prior to May 31st (90 day limit still applies)
- Final payroll for June will be reflected in Personnel Earnings Detail in WFS on July 6th.
- July 11th @ 12:00 pm – deadline for June payroll redistribution
- These deadlines are applicable for all funds (including grants).
Policies

- With the exception of certain faculty research smartkeys, the University does not carry forward unrestricted operating budget funds.

- Open purchase orders will not carry forward.
QUESTIONS
Accrual Example
Accounting Process and Entries

In June, a request was made for $500 to be charged to the department for the old fiscal year for services performed during June, but which will not be billed until July. This request has been approved by the departmental chair. Finance has notified the department that this entry will be accrued.
Accrual entries for *old fiscal year* via journal entry initiated by Finance based on email:

1) Debit/charge the departmental Smartkey.
2) Credit the accrual Smartkey.

Accrual entries for **new fiscal year** via accounts payable voucher initiated by department:

1) Debit/charge the departmental Smartkey via the A/P Voucher.
2) Ad-hoc Susan Pavis into workflow and note “accrual”.
3) Finance will process a journal entry to debit the accrual Smartkey and credit the department.
