Year End Accruals and Prepaid Expenses

- The process of posting transactions for year end accruals and prepaid expenses is used to assure proper matching of transactions to the appropriate fiscal year.
Prepaid Expenses

- Prepaid expenses are transactions that require payment during the old fiscal year but which are appropriate to be charged to the new fiscal year.

- Common types of prepaid expense requests:
  - Reimbursement for airfare for travel occurring after July 1st.
  - Deposits for catalogs and publications relating to the new fiscal year.
Prepaid Expenses
Accounting Process

- Transaction relates to next year.

- Payment is needed now. (If not now, hold the invoice until new year is open)

- Examples: Airfare, Conference fees, Subscriptions
Prepaid Expenses
Accounting Process

The department will complete the AP voucher as usual, except:

- Ad hoc Susan Pavis into workflow.
- Note “Prepaid Expense” in “Instructions to AP”.

Note: If you experience a budget error on the voucher, contact Susan to request an override.
Prepaid Expenses
Accounting Process

2) Finance will process a journal entry to credit the department smartkey in 2013/14 and charge the smartkey in 2014/15.

3) Journal ID = “PPD_MMDDYY” and will contain the Voucher ID in the reference field.

4) Examples of prepaid expense entries can be found at the end of the presentation.
Accrual vs Prepaid

Year end accrual transactions would be required for an item that has been contracted for and will be received by June 30th, but the invoice paperwork will not be received in time to process the AP voucher(s) according to the year end deadlines.

Common types of accrual requests:
- Services performed but not yet billed.
- Travel that occurs during June with documentation received in July.
Year End Accruals
Accounting Process

Have until 10:00 am on July 16 to request accruals.

What does this mean? If you get a 2013/14 invoice between July 1 and July 16:

- Complete an Accounts Payable Voucher normally.
- Ad Hoc Susan Pavis at the end of Workflow.
- Note in “Instructions to AP: Fiscal 14 Accrual.”
Year End Accruals
Accounting Process

If you do not have an invoice by July 16:

1) A best guess estimate is created for the target transaction/activity requiring an accrual. This estimate can be based on a quote/advertisement etc.

2) The estimate is submitted to Finance (Susan Pavis - spavis@wesleyan.edu). Email notification of this estimate is acceptable.
Year End Accruals
Accounting Process

3) The request for accrual should contain the same information as a normal AP voucher:

- Vendor Information
- Smartkey/account for the old fiscal year to be charged.
- Amount of the accrual (best guess estimate)
- Description of the item (include as much information as possible)
- Authorizations to process the transaction. Use the published guidelines to determine what authorizations are necessary.
Year End Accruals
Accounting Process

4) The originator of the request will receive a confirmation (via email) that the accrual has been received and accepted as valid.

5) The Finance office will process a journal entry to charge the departmental account for the old fiscal year.
Year End Accruals
Accounting Process

6) When the original invoice is received for the accrual item, the AP voucher must be completed as follows.

- Complete the AP Voucher in the new fiscal year as normal with the department smartkey and appropriate attachments.
- AD-HOC Susan Pavis into workflow as an approver.
- Note: F14 Accrual in “Instructions to AP”.
- If Susan Pavis is not notified, there is a possibility that the department will be charged twice for the same item (once in the old fiscal year and for a second time in the new fiscal year).
7) Finance will verify the accrual transaction and process a journal entry that will give the department a credit to offset the payment.
Year End Accruals
Accounting Process

- Examples of the accounting entries can be found at the end of the presentation.
- Any Questions on Accruals??
Wesleyan has balanced its budget for 19 consecutive years.
Reports

- Inquiry Reports (Updated nightly)
  - Smartkey Summary
  - Smartkey/Account Subgroup Summary
  - Smartkey/Account Summary
  - Transaction Detail
  - Personnel Earnings Detail
Budget Status

- Use Smartkey Summary for overall budget status. General guideline is:
  - April Month-End = % spent should be approx. 83.3%
  - May Month-End = % spent should be approx. 91.7%
  - June Month-End = % spent should be approx. 100.0%

- Drill down to Smartkey/Account Summary or Transaction Detail to research problem smartkeys.
Budget Checking/Warnings

- Budget Checking occurs at the level at which your department budgets (Attribute = KK Value)
  - TP = Program level
  - TS = Account Subgroup level (e.g., travel)
  - TD = Account detail level (e.g., airfare, lodging)

- Budget warnings (in yellow) indicate that there are insufficient funds for the po, voucher or journal entry at the level at which you budget.
  - You should transfer budget to fund the expense prior to submitting the po, voucher or journal.
  - Transactions with budget warnings may be allowed to be processed depending on the policy for your officer area

- Budget errors (in red) indicate that there are insufficient funds in the smartkey for the PO, Voucher or Journal
  - Transactions with budget errors can not be submitted to workflow
  - Budget will need to be transferred, or a different funding source will need to be identified, before the transaction can be processed
Budget Transfers

- Budget transfers are not reflected in WFS until they have been fully approved.

Deadlines

- June 30th – deadline for budget transfers to be fully approved.
Payroll Redistributions

- A payroll redistribution is a specialized journal to transfer payroll expenses.

**Important dates/deadlines:**

- **June 13th** – deadline for payroll redistribution prior to May 31st (90 day limit still applies)
- Final payroll for June will be reflected in Personnel Earnings Detail in WFS on July 10th.
- **July 11th @ 12:00 pm** – deadline for June payroll redistribution
- These deadlines are applicable for all funds (including grants).
Policies

- With the exception of certain faculty research smartkeys, the University does not carry forward unrestricted operating budget funds.

- Open purchase orders will not carry forward.
