

INSTRUCTIONS FOR UPLOADING COVID VACCINATION RECORD TO DAVISON HEALTH CENTER MEDICAL RECORD

Students can voluntarily upload documentation of a COVID-19 vaccination to the electronic medical record system by going to <https://wesleyan.medicatconnect.com> and use your Wes email user/password to log in.

Please see instructions below:

- Click on the Immunizations Icon located at the top left on the Home page.
- Select Enter dates from the drop Box.
- Scroll to the end of this screen where you will see the heading COVID 19 Vaccine.
- Enter your date and hit submit (repeat this step if more than 1 vaccine).
- An immunization entry pop up box will appear.
- Click HERE to upload a copy of your record.
- Select either COVID-19 vaccine or Immunization Record from the documents available for upload drop box
- Select file and Open
