The Eligibility Waiting Period is the period of time you must be in Active Service to be eligible for participation. It will be extended by the number of days you are not in Active Service.

Except as noted in the Reinstatement Provision, if you terminate participation in the Plan and later wish to reapply, or if you are rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period if Plan participation ends because you are no longer in a Class of Eligible Employees, but continue to be employed and within one year become a member of an eligible class.

SECTION 3

3.1 EFFECTIVE DATE OF PLAN PARTICIPATION

You will be covered under the Plan on the date you become eligible, if you are not required to contribute to the cost of this Plan participation.

If you are not in Active Service on the date Plan participation would otherwise be effective, it will be effective on the date you return to any occupation for your Employer on a Full-time basis.

SECTION 4

4.1 TERMINATION OF PLAN PARTICIPATION

Your participation will end on the earliest of the following dates:

1. the date you are eligible for participation under a plan intended to replace this Plan;
2. the date the Plan is terminated;
3. the date you are no longer in an eligible class;
4. the day after the end of the period for which you cease to make your contribution to the Plan, if applicable.
5. the date you are no longer in Active Service;
6. the date benefits end for failure to comply with the terms and conditions of the Plan.

SECTION 5

5.1 CONTINUATION OF PLAN PARTICIPATION

This Continuation of Plan Participation provision modifies the Termination of Plan Participation provision to allow participation to continue under certain circumstances if you are no longer in Active Service. Coverage that is continued under this provision is subject to all other terms of the Termination of Plan Participation provisions.

Disability participation under the Plan continues if your Active Service ends due to a Disability for which benefits under the Plan are or may become payable. If you do not return to Active Service, the participation under the Plan ends when the Disability ends or when benefits are no longer payable, whichever comes first.

If your Active Service ends due to personal or family medical leave approved timely by the Employer, your participation under the Plan will continue for up to twelve weeks.

If your Active Service ends due to a leave of absence for a Grant approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for you for up to 12 months. Premiums are required for this coverage. An approved leave of absence for a Grant does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to ends due to a leave of absence for a Sabbatical approved in writing by the Employer prior to the date the Employee ceases work, insurance will continue for you for up to 12 months. Premiums are required for this coverage. An approved leave of absence for Sabbatical does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, your participation under the Plan will continue until the earliest of:

- a) the date your employment relationship with the Employer terminates;
- b) the end of the 30-day period that begins with the first day of such excused absence;
- c) the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this plan, if your Active Service ends due to layoff, termination of employment, or any other termination of the employment relationship, participation under the Plan will terminate and Continuation of Plan Participation under this provision will not apply.

If your participation is continued pursuant to this Continuation of Plan Participation provision, and you become Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Elimination Period is satisfied or the date you are scheduled to return to Active Service.

SECTION 6

6.1 DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Plan. Please see the Schedule of Benefits for the applicability of these benefits to each Class of Eligible Employees.

6.2 Disability Benefits

The Plan will pay Disability Benefits if you become Disabled while covered under this Plan. You must satisfy the Elimination Period, be under the Appropriate Care of a Physician, and meet all the other terms and conditions of the Plan. You must provide the Plan, at your own expense, satisfactory proof of Disability before benefits will be paid. The Disability Benefit is shown in the Schedule of Benefits.

The Plan will require continued proof of your Disability for benefits to continue.

6.3 Elimination Period

The Elimination Period is the period of time you must be continuously Disabled before Disability Benefits are payable. The Elimination Period is shown in the Schedule of Benefits.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes.

6.4 Successive Periods of Disability

A separate period of Disability will be considered continuous:

1. if it results from the same or related causes as a prior Disability for which weekly benefits were payable; and
2. if, after receiving Disability Benefits, you return to work in your Regular Occupation for less than 14 consecutive days; and
3. if you earn less than the percentage of Covered Earnings that would still qualify you to meet the definition of Disability/Disabled during at least one week.

Any later period of Disability, regardless of cause, that begins when you are eligible for participation under another group disability plan provided by any employer will not be considered a continuous period of Disability.

For any separate period of disability which is not considered continuous, you must satisfy a new Elimination Period.

SECTION 7

7.1 ADDITIONAL BENEFITS

7.2 Rehabilitation During A Period of Disability

If the Plan determines that you are a suitable candidate for rehabilitation, the Plan may require you to participate in a Rehabilitation Plan. The Plan has the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan.

The Rehabilitation Plan may, at the Plan's discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

If you fail to fully cooperate in all required phases of the Rehabilitation Plan without Good Cause, no Disability Benefits will be paid, and Plan participation will end.

7.3 Termination of Disability Benefits

Benefits will end on the earliest of the following dates:

1. the date you earn more than the percentage of Covered Earnings set forth in the definition of Disability from any occupation;
2. the date the Plan determines you are not Disabled;
3. the end of the Maximum Benefit Period;
4. the date you die;
5. the date you refuse, without Good Cause, to fully cooperate in all required phases of the Rehabilitation Plan and assessment;
6. the date you are no longer receiving Appropriate Care;
7. the date you fail to cooperate with the Plan in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Benefits may be resumed if you begin to cooperate fully in the Rehabilitation Plan within 30 days of the date benefits terminated.

SECTION 8

8.1 EXCLUSIONS

1. suicide, attempted suicide, or self-inflicted injury while sane or insane.
2. war or any act of war, whether or not declared.

"Medically Necessary" means the surgical procedure is: (a) prescribed by a Physician as required treatment of the Injury or Sickness; and (b) appropriate according to conventional medical practice for the Injury or Sickness in the locality in which the surgery is performed. The Plan will pay benefits if the Disability is caused by you donating an organ in a non-experimental organ transplant procedure.
7. an Injury or Sickness for which you are entitled to benefits from Worker's Compensation or occupational disease law.
8. an Injury or Sickness that is work-related.

In addition, the Plan will not pay Disability Benefits for any period of Disability during which you are incarcerated in a penal or corrections institution.

10.2 Reinstatement of Plan Participation

Your participation may be reinstated if it ends because you are on an unpaid leave of absence.

Your participation may be reinstated only if a written request for reinstatement is received by the Plan within 31 days from the date you return to Active Service from an Employer approved unpaid leave of absence or from the military service pursuant to the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA). For participation to be reinstated the following conditions must be met.

1. You must be in a Class of Eligible Employees.
2. The required contribution must be paid, if applicable.

Reinstated participation will be effective on the date you return to Active Service. If you did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation, if any, before participation ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

10.3 Claimant Cooperation Provision

Your failure to cooperate with the Plan in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

10.4 Proof of Loss

Written proof of loss must be given to the Plan within 90 days after the date of the loss for which a claim is made. If written proof of loss is not given in that time, the claim will not be invalidated nor reduced if it is shown that written proof of loss was given as soon as was reasonably possible. In any case, written proof must be given not more than a year after that 90 day period. If written proof of loss is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to the Plan.

Disability Benefits will be paid at regular intervals of not less frequently than once a week. Any balance, unpaid at the end of any period for which the Plan is liable, will be paid at that time.

However, if no request for payment has been made by the legal guardian, the Plan, may at its option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, the Plan may, at its option, make direct payment to any of the following living relatives of you: spouse, mother, father, children, brothers or sisters; or to the executors or administrators of your estate. The Plan may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release the Plan from all liability for any payment made.

10.7 Physical Examination and Autopsy

The Plan, at its expense, will have the right to examine any person for whom a claim is pending as often as it may reasonably require. The Plan may, at its expense, require an autopsy unless prohibited by law.

10.8 Physician/Patient Relationship

You will have the right to choose any Physician who is practicing legally. The Plan will in no way disturb the Physician/patient relationship.

SECTION 11

11.1 CLAIM PROCEDURES

11.2 What You Should Do and Expect If You Have a Claim

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Plan Administrator. You must complete your claim according to directions provided by the Plan Administrator. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Claim Administrator appointed by the Plan Administrator.

The Plan Administrator is the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Plan Administrator shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Plan Administrator shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Plan has 45 days from the date it receives your claim to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Plan. The Plan may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Plan must notify you in writing that its review period has been extended for up to two additional periods of 30 days. If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Plan may require a medical examination of the Participant, at the Plan's own expense; or additional information regarding the claim. If a medical examination is required, the Plan will notify you of the date and time of the examination and the physician's name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Plan must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Plan.

If your claim is denied, in whole or in part, you must receive a written notice from the Plan within the review period. The written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Plan provision(s) on which the denial was based.
3. Any additional information required by your claim to be reconsidered, and the reason this information is necessary.
4. Identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, as outlined below.

11.3 Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written statement for appeal to the Plan Administrator within 180 days from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Plan Administrator, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Plan will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Plan has 45 days from the date it receives your request to review your claim and notify you of its decision. Under special circumstances, the Plan may require more time to review your claim. If this should happen, the Plan must notify you, in writing, that its review period has been extended for an additional 45 days. Once its review is complete, the Plan must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

SECTION 12

12.1 YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

This Plan is designed to provide you with short term disability income benefits in the event of your covered Disability. Every effort has been made to assure the accuracy of this Summary Plan Description. To the extent that the terms of the Plan Document differ from this Summary Plan Description, the Plan Document will prevail.
