## Reminder!

This is the first year you (or covered dependents) can rollover over 25% of unused dental balances to 2022, if you have used less than 50% of the benefit maximum and received preventive treatment in 2021.

Wesleyan University is committed to providing a comprehensive benefits program for its employees. This guide provides an overview of the benefits available to eligible employees and highlights any changes for the 2022 plan year.

Complete information on university benefits, including plan documents, is available at [www.wesleyan.edu/hr](http://www.wesleyan.edu/hr).

Questions can be directed to Human Resources at [benefits@wesleyan.edu](mailto:benefits@wesleyan.edu).

## Changes for 2022

- Employee premiums for medical, dental, vision and life insurance are not increasing for 2022.
- Part-time staff (.5 FTE) are now eligible for medical, dental, vision, life and disability coverage.
- Access to Cigna's One Guide program will be offered. One Guide offers specialized representatives who will assist you with questions and concerns you currently direct to Cigna's customer service. They can also help you locate providers, as well as connect you to lifestyle coaching, clinical and behavioral health services. One Guide will help you stay on track with your preventive care visits and offer cost-savings guidance.
- Certain continuous glucose monitors are now covered in full (in-network).
- Medically necessary nutrition counseling is increasing from 3 visits to 12 visits per year.
- CT Paid Leave benefits begin January 1, 2022. Employees will apply directly to and be paid by the State of Connecticut for the new benefit. These benefits will be supplemented by Wesleyan so that the combined benefit (State plus Wesleyan) equals our current short term disability and parental leave benefits.
- Effective December 1, 2021, retirement plan loans will be available through Fidelity.

## Here are some terms you'll see in this guide:

**Coinsurance:** Your share of the costs of a health care service, usually figured as a percentage of the amount charged for services. You start paying coinsurance after you've paid your plan's deductible. Your plan pays a certain percentage of the total bill, and you pay the remaining percentage.

**Copay:** A fixed amount you pay for a specific medical service (typically an office visit) at the time you receive the service. The copay can vary depending on the type of service. Copays cannot be included as part of your annual deductible, but they do count toward your out-of-pocket maximum.

**Deductible:** The amount you pay for healthcare services before your health insurance begins to pay. For example, if your plan's deductible is \$1,000,

you'll pay 100% of eligible healthcare expenses until the bills total \$1,000 for the year. After that, you share the cost with your plan by paying coinsurance.

**In-network:** Care received from a doctor, group of doctors, clinics, hospitals, or other health care providers that have an agreement with your medical plan provider. You'll pay less when you use in-network providers.

**Out-of-network:** Care received from a doctor, group of doctors, clinics, hospitals, or other health care providers that do not have an agreement with your medical plan provider. You'll pay more when you use out-of-network providers. Some plans only allow out-of-network care in urgent or emergent situations.

**Out-of-pocket maximum:** This is the most you must pay for covered services in a plan year. After you spend this amount on deductibles, copayments and coinsurance, your health plan pays 100% of the costs of covered benefits. However, you must pay for certain out-of-network charges above reasonable and customary amounts.

**Reasonable and customary:** The amount of money a health plan determines is the normal or acceptable range of charges for a specific health-related service or medical procedure. If your healthcare provider submits higher charges than what the health plan considers normal or acceptable, you may have to pay the difference.

\*\*Coinsurance percentage represents amount of employee's responsibility.

† There is no individual limit built into the family deductible or out-of-pocket maximum.

\*For OAP and OAPIN plans, deductible only applies to the following:

- Inpatient & Outpatient Services and Procedures
- Laboratory
- Radiology
- Advanced Imaging (MRI, CT, etc)
- Home Healthcare
- Durable Medical Equipment
- Prosthetic Devices/Wigs
- Hearing Aids
- Gene Therapy

For the OAP and the HDHP plans, deductibles and out-of-pocket maximums do not cross-accumulate (that is, In-Network will accumulate to In-Network and Out-of-Network will accumulate to Out-of-Network).

Preventive breast ultrasounds will be covered at 100% under all plan options provided by Wesleyan.  
**PLEASE NOTE: In order for your claim to be covered at 100% by the plan, your provider must use the appropriate preventive codes.**

# PHARMACY BENEFITS

## Cigna 90 Now

Wesleyan medical plans include a maintenance medication program called Cigna 90 Now.

- If you choose to fill your prescription with a 90-day supply, you must use a 90-day retail pharmacy in your plan's network. You can also use the Cigna Home Delivery Pharmacy. **Important Note:** Please confirm the pharmacy network for your 90-day fills. Visit [Cigna's 90 Now page](#) for more information.
- If you choose to fill your prescription with a 30-day supply, you can use any retail pharmacy in your plan's broader network.

### Where you can fill a 90-day prescription

With Cigna 90 Now, your plan offers a retail pharmacy network that limits where you can fill your 90-day prescriptions. You will still have access to a robust network of providers. They include local pharmacies, grocery stores, retail chains and wholesale warehouse stores – all places where you may already shop! If you prefer the convenience of having your medications delivered to your home, you can also use Cigna Home Delivery Pharmacy to fill your prescriptions. For more information about your new pharmacy network, visit [Cigna's 90 Now page](#).

## Value Drug List

To see a current list:

1. Visit [myCigna.com](#)
2. Once you're registered, log in and select **Estimate Health Care Costs**
3. Select **Get Drug Costs**.

You can also view your drug list at [Cigna.com/druglist](#) and select your drug list name "Value 3 Tier" from the drop down menu.

- Certain brand name drugs that are also available over-the-counter will be dispensed as a generic drug only (for example, drugs to treat acid reflux).
- Pre-authorizations are needed for specialty drugs. Your provider's office will coordinate this with Cigna at the time you are given a prescription.

### Questions?

Call the toll-free number on the back of your Cigna ID card. You can also chat with Cigna online on [myCigna.com](#), Monday–Friday, 9:00 am–8:00 pm EST.

Wesleyan's group number is **3188492**.

## Common Pharmacy Terms

**Prior Authorization (PA)** – Cigna will review information your doctor provides to make sure you meet coverage guidelines for the medication. If approved, your plan will cover the medication.

**Step Therapy (ST)** – Certain high-cost medications are part of the Step Therapy program. Step Therapy encourages the use of lower-cost medications (typically generics and preferred brands) that can be used to treat the same condition as the higher-cost medication. These conditions include – but are not limited to – depression, high blood pressure, high cholesterol, skin conditions, and sleep disorders. Your plan doesn't cover the higher-cost Step Therapy medication until you try one or more alternatives first (unless you receive approval from Cigna).

**Quantity Limits (QL)** – For some medications, your plan will only cover up to a certain amount over a certain length of time (for example, 30 mg per day for 30 days). Your plan will only cover a larger amount if your doctor requests and receives approval from Cigna.

# MEDICAL PLAN

## FREQUENTLY ASKED QUESTIONS

### **Which services are subject to the annual deductible under the Open Access Plus and Open Access Plus In-Network plans?**

The Wesleyan Open Access Plus and Open Access Plus In-Network plans have an annual deductible of \$500 for individuals and \$1,000 for families.

The following services fall under this deductible:

- Lab work
- Imaging (x-ray, MRI, PET, CT and ultrasound)
- Durable medical equipment
- In-patient procedures and services
- Out-patient procedures and services
- Home healthcare
- Prosthetic devices
- Hearing aids
- Gene Therapy

Once the deductible is met, these services are covered at 100% for the rest of the plan year.

The deductible also counts toward your annual out-of-pocket maximum.

### **I went for a preventive procedure and expected to pay nothing. Why am I being billed?**

All preventive services that are coded as preventive are covered at 100%. A diagnostic procedure is subject to the applicable deductible and copay. Make sure you talk with your provider about the procedure so you know how it is being billed.

### **I am turning 65 but am not planning to retire yet. Do I have to terminate from Wesleyan's benefits and apply for Medicare Parts B and D? What about my spouse/partner?**

As long as you are an active, benefit-eligible employee, you and your spouse/partner may remain on the Wesleyan benefit plan regardless of age.

### **I have questions about my medical bill. Who should I contact?**

Call Cigna at 1-800-244-6224 and log into your [myCigna.com](https://myCigna.com) portal to look up the date of service correlating to the bill. Many times bills are sent by the provider before Cigna has fully processed the claim. Always check your Explanation of Benefits (EOB) to see how the claim is being processed. A representative at Cigna is available to help you resolve any eligibility or claim issues you have.

### **Cigna denied a prescription my doctor wants me to have. I have tried other therapeutic equivalent drugs but have medical challenges and can only take this one drug. What should I do?**

Your doctor should be able to help you with an appeal to Cigna. If you have a medical need, they should be able to document this with Cigna to help with an approval. Have your providers' office contact Cigna to initiate the process for you.

### **I am getting married! How can I add my spouse to my plan?**

See page 6 for information on qualifying life events and how to make changes to your benefits.

### **My doctor wants me to get an MRI (or other procedure) yet Cigna sent me a letter of denial. What should I do?**

Call Cigna at 1-800-244-6224 to have someone walk through the denial with you. It is important to receive clarification.

In many cases of denied authorizations, the treating provider did not submit all of the necessary medical documents needed for an approval.

By calling Cigna and engaging with your provider you should be able to resolve the issue.

# HEALTH SAVINGS ACCOUNT (HSA)

A Health Savings Account (HSA) is a personal healthcare bank account you can use to pay out-of-pocket medical expenses with pre-tax dollars.

You own and administer your HSA. You determine how much you contribute to your account, when to use your money to pay for qualified medical expenses, and when to reimburse yourself. Remember, this is a bank account; you must have money in the account before you can spend it.

HSAs offer the following advantages:

**Tax savings:** You contribute pre-tax dollars to the HSA. Interest accumulates tax-free, and funds are withdrawn tax-free to pay for medical expenses.

**Reduced out-of-pocket costs:** You can use the money in your HSA to pay for eligible medical expenses and prescriptions. The HSA funds you use can help you meet your plan's annual deductible.

**A long-term investment that stays with you:** Unused account dollars are yours to keep even if you retire or leave the University. Also, you can invest your HSA funds, so your available healthcare dollars can grow over time.

You are eligible to open and fund an HSA if:

- You are enrolled in an HSA-eligible high-deductible health plan, such as Wesleyan's HDHP plan.
- You are not covered by your spouse's non-HSA eligible medical plan, health care flexible spending account (FSA), or health reimbursement account (HRA).
- You are not eligible to be claimed as a dependent on someone else's tax return. Dependents over age 19 (or age 23 if full-time student) must open and fund their own HSA).
- You are not enrolled in Medicare Part A, B or D, TRICARE or TRICARE for Life.
- You have not received Veterans Administration Benefits in the last three months.

## How to access/make contributions to your HSA

Once your account is open, you can access it via [myCigna.com](http://myCigna.com) by clicking on "Visit your HSA bank to manage your account." You'll set up your payroll contributions during open enrollment. You can make contribution changes at any time during the year. The HSA contribution form is located on the benefits/HR/payroll forms page on WesPortal.

Note: It may take between one and two payroll periods for an HSA change to be processed.

## More details about Health Savings Accounts

The HSA is administered by HSA Bank. Wesleyan pays the monthly administrative fee for your HSA. If your coverage status or employment status changes, you will be responsible for all HSA account holder fees.

You'll notice two separate line items on your paycheck when you participate in the HDHP with HSA option – one for your employee premium for the HDHP and one for your pre-tax contributions to the HSA.

# FLEXIBLE SPENDING ACCOUNT (FSA)

## *Medical Expense Reimbursement Account (MERA)*

This plan allows you to pay for eligible out-of-pocket expenses with pre-tax dollars. Eligible expenses include plan deductibles, copays, coinsurance, and other non-covered medical, dental and vision healthcare expenses for you and your dependents.

## *Dependent Care FSA*

This plan allows you to pay for eligible out-of-pocket dependent care expenses with pre-tax dollars. Eligible expenses may include daycare centers, in-home child care, and before and/or after school care for your dependent children under age 13 (other individuals may qualify if they are incapable of self-care and are considered your taxable dependents).

Please note: All caregivers must have a tax ID or Social Security number, which must be included on your federal tax return. If you use the Dependent Care FSA, the IRS will not allow you to claim a dependent care credit for reimbursed expenses. Consult your professional tax advisor to determine whether you should enroll in this plan.

MERA/Dependent FSAs	
MERA - Plan Year Maximum	\$2,750
Dependent Care FSA - Plan Year Maximum	\$5,000 (\$2,500 if married and filing separately)
Grace and Run-Out Periods	For 2022, you can incur expenses through March 15, 2023 as long as you submit them for reimbursement to GDI by April 15, 2023.

\*Please note - For your remaining FSA balances from the 2021 plan year, given recent COVID legislation, Wesleyan allows employees to use their unused 2021 FSA balances to pay for qualified expenses incurred through December 31, 2022. These claims must be submitted for reimbursement by April 15, 2023.

## Frequently Asked Questions

### When can I enroll in MERA or Dependent Care?

You must enroll each year during Open Enrollment in order to participate in the MERA or Dependent Care FSAs for the following year. The amount you designate will be deducted from your paycheck in equal amounts throughout the plan year. New employees are eligible to participate upon hire.

### How do I submit claims for reimbursement?

The Wesleyan MERA (Medical Reimbursement Account) and Dependent Care Flexible Spending Accounts are administered by Group Dynamic, Inc. When you enroll, a Welcome Packet will be mailed to your home. You will be issued a debit card to charge your expenses. The MERA debit card will be loaded at the beginning of the plan year with your annual election. Funds for the Dependent Care Flexible Spending Account will be loaded to your debit card after each of your paycheck contributions.

Once you incur an expense, if you don't charge it to your card, you can request reimbursement from your account. Keep your receipts and Explanations of Benefits (EOBs) in the event the vendor or the IRS requests additional information on your transactions.

### I used my debit card to pay for a procedure. Why is GDI asking me for a receipt?

The IRS requires substantiation for all claims. GDI has set up a copay matching program to help limit the receipts needed. However, when a purchase does not match a set copay amount, a receipt may be needed to verify the expense as qualifying under the MERA plan. **If you do not supply a receipt when asked, your card may be suspended until you resolve the claim to ensure compliance with IRS claims substantiation requirements. This is true even if the claim in question was incurred in the prior plan year.**

### What happens if I use the account for non-eligible expenses?

If you file a request for reimbursement of a non-eligible expense, the request will be denied by GDI. If the expense is deemed ineligible after the expense is already paid, you will be required to reimburse your account for that transaction. If you fail to reimburse the account, you may be required to pay income taxes.

### What happens if I do not use all of the money in my account?

The IRS regulates Flexible Spending Accounts under IRC 125. According to the IRS guidelines, funds that are not claimed during the plan year are forfeited to the plan. This is called the "use it or lose it" clause. The unused funds are retained by the plan sponsor, your employer, and can be used to offset administrative costs of the plan.

Wesleyan allows employees to use their unused 2022 account balances to pay for qualified expenses incurred by March 15, 2023 provided they are submitted for reimbursement by April 15, 2023.

\*Please note - For your remaining FSA balances from the 2021 plan year, given recent COVID legislation, Wesleyan allows employees to use their unused 2021 FSA balances to pay for qualified expenses incurred through December 31, 2022. These claims must be submitted for reimbursement by April 15, 2023.

### May I use my MERA for my spouse's deductible and copay expenses?

Yes. All eligible out-of-pocket expenses incurred by you and your tax-qualified dependents can be reimbursed by your MERA even if not enrolled under Wesleyan's medical plan.

# REQUIRED NOTICES

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Wesleyan University and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Wesleyan University has determined that the prescription drug coverage offered by the Wesleyan University Employee Health Care Plan ("Plan") is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered "creditable" prescription drug coverage. This is important for the reasons described below.

---

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

## Enrolling in Medicare—General Rules

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

## Late Enrollment and the Late Enrollment Penalty

If you decide to *wait* to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty).

If after your initial Medicare Part D enrollment period you go **63 continuous days or longer without "creditable" prescription drug coverage** (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

For example, if after your Medicare Part D initial enrollment period you go 19 months without coverage, your premium may be at least 19% higher than the premium you otherwise would have paid. You may have to pay this higher premium for as long as you have Medicare prescription drug coverage. *However, there are some important exceptions to the late enrollment penalty.*

## Special Enrollment Period Exceptions to the Late Enrollment Penalty

There are "special enrollment periods" that allow you to add Medicare Part D coverage months or even years after you first became eligible to do so, without a penalty. For example, if after your Medicare Part D initial enrollment period you lose or decide to leave employer-sponsored or union-sponsored health coverage that includes "creditable" prescription drug coverage, you will be eligible to join a Medicare drug plan at that time.

In addition, if you otherwise lose other creditable prescription drug coverage (such as under an individual policy) through no fault of your own, you will be able to join a Medicare drug plan, again without penalty. These special enrollment periods end 60 months after the month in which your other coverage ends.

**Compare Coverage**

You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. See the Wesleyan University Plan's summary plan description for a summary of the Plan's prescription drug coverage. If you don't have a copy, you can get one by contacting us at the telephone number or address listed below.

**Coordinating Other Coverage With Medicare Part D**

Generally speaking, if you decide to join a Medicare drug plan while covered under the Wesleyan University Plan due to your employment (or someone else's employment, such as a spouse or parent), your coverage under the Wesleyan University Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below.

If you do decide to join a Medicare drug plan and drop your Wesleyan University prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage.

**For More Information About This Notice or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information, or call 860-685-2100. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Wesleyan University changes. You also may request a copy.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

This notice is provided to you on behalf of:

**Wesleyan University Group Insurance Program**

**The Plan's Duty to Safeguard Your Protected Health Information**

Individually identifiable information about your past, present, or future health or condition, the provision of health care to you, or payment for the health care is considered "Protected Health Information" ("PHI"). The Plan is required to extend certain protections to your PHI, and to give you this notice about its privacy practices that explains how, when, and why the Plan may use or disclose your PHI. Except in specified circumstances, the Plan may use or disclose only the minimum necessary PHI to accomplish the purpose of the use or disclosure.

The Plan is required to follow the privacy practices described in this notice, though it reserves the right to change those practices and the terms of this notice at any time. If it does so, and the change is material, you will receive a revised version of this Notice either by hand delivery, mail delivery to your last known address, or some other fashion. This notice, and any material revisions of it, will also be provided to you in writing upon your request (ask your Human Resources representative, or contact the Plan's Privacy Official, described below), and will be posted on any website maintained by Wesleyan University that describes benefits available to employees and dependents.

You may also receive one or more other privacy notices from insurance companies that provide benefits under the Plan. Those notices will describe how the insurance companies use and disclose PHI and your rights with respect to the PHI they maintain.

**How the Plan May Use and Disclose Your Protected Health Information**

The Plan uses and discloses PHI for a variety of reasons. For its routine uses and disclosures it does not require your authorization, but for other uses and disclosures, your authorization (or the authorization of your personal representative (e.g., a person who is your custodian, guardian, or has your power-of-attorney) may be required. The following offers more description and examples of the Plan's uses and disclosures of your PHI.

- **Uses and Disclosures Relating to Treatment, Payment, or Health Care Operations.**
  - **Treatment:** Generally, and as you would expect, the Plan is permitted to disclose your PHI for purposes of your medical treatment. Thus, it may disclose your PHI to doctors, nurses, hospitals, emergency medical technicians, pharmacists, and other health care professionals where the disclosure is for your medical treatment. For example, if you are injured in an accident, and it's important for your treatment team to know your blood type, the Plan could disclose that PHI to the team in order to allow it to more effectively provide treatment to you.
  - **Payment:** Of course, the Plan's most important function, as far as you are concerned, is that it *pays for* all or some of the medical care you receive (provided the care is covered by the Plan). In the course of its payment operations, the Plan receives a substantial amount of PHI about you. For example, doctors, hospitals, and pharmacies that provide you care send the Plan detailed information about the care they provided, so that they can be paid for their services. The Plan may also share your PHI with other plans in certain cases. For example, if you are covered by more than one health care plan (e.g., covered by this Plan and your spouse's plan or covered by the plans covering your father and mother), we may share your PHI with the other plans to coordinate payment of your claims.
  - **Health care Operations:** The Plan may use and disclose your PHI in the course of its "health care operations." For example, it may use your PHI in evaluating the quality of services you received or disclose your PHI to an accountant or attorney for audit purposes. In some cases, the Plan may disclose your PHI to insurance companies for purposes of obtaining various insurance coverages. However, the Plan will not disclose, for underwriting purposes, PHI that is genetic information.
- **Other Uses and Disclosures of Your PHI Not Requiring Authorization.** The law provides that the Plan may use and disclose your PHI without authorization in the following circumstances:
  - **To the Plan Sponsor:** The Plan may disclose PHI to the employers (such as Wesleyan University) who sponsor or maintain the Plan for the benefit of employees and dependents. However, the PHI may only be used for limited purposes, and may not be used for purposes of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the employers. PHI may be disclosed to: the human resources or employee benefits department for purposes of enrollments and disenrollments, census, claim resolutions, and other matters

related to Plan administration; payroll department for purposes of ensuring appropriate payroll deductions and other payments by covered persons for their coverage; information technology department, as needed for preparation of data compilations and reports related to Plan administration; finance department for purposes of reconciling appropriate payments of premium to and benefits from the Plan, and other matters related to Plan administration; internal legal counsel to assist with resolution of claim, coverage, and other disputes related to the Plan's provision of benefits.

- **To the Plan's Service Providers:** The Plan may disclose PHI to its service providers ("business associates") who perform claim payment and plan management services. The Plan requires a written contract that obligates the business associate to safeguard and limit the use of PHI.
- **Required by Law:** The Plan may disclose PHI when a law requires that it report information about suspected abuse, neglect, or domestic violence, or relating to suspected criminal activity, or in response to a court order. It must also disclose PHI to authorities that monitor compliance with these privacy requirements.
- **For Public Health Activities:** The Plan may disclose PHI when required to collect information about disease or injury, or to report vital statistics to the public health authority.
- **For Health Oversight Activities:** The Plan may disclose PHI to agencies or departments responsible for monitoring the health care system for such purposes as reporting or investigation of unusual incidents.
- **Relating to Decedents:** The Plan may disclose PHI relating to an individual's death to coroners, medical examiners, or funeral directors, and to organ procurement organizations relating to organ, eye, or tissue donations or transplants.
- **For Research Purposes:** In certain circumstances, and under strict supervision of a privacy board, the Plan may disclose PHI to assist medical and psychiatric research.
- **To Avert Threat to Health or Safety:** In order to avoid a serious threat to health or safety, the Plan may disclose PHI as necessary to law enforcement or other persons who can reasonably prevent or lessen the threat of harm.
- **For Specific Government Functions:** The Plan may disclose PHI of military personnel and veterans in certain situations, to correctional facilities in certain situations, to government programs relating to eligibility and enrollment, and for national security reasons.
- **Uses and Disclosures Requiring Authorization:** For uses and disclosures beyond treatment, payment, and operations purposes, and for reasons not included in one of the exceptions described above, the Plan is required to have your written authorization. For example, uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and disclosures that constitute a sale of PHI would require your authorization. Your authorization can be revoked at any time to stop future uses and disclosures, except to the extent that the Plan has already undertaken an action in reliance upon your authorization.
- **Uses and Disclosures Requiring You to Have an Opportunity to Object:** The Plan may share PHI with your family, friend, or other person involved in your care, or payment for your care. We may also share PHI with these people to notify them about your location, general condition, or death. However, the Plan may disclose your PHI only if it informs you about the disclosure in advance and you do not object (but if there is an emergency situation and you cannot be given your opportunity to object, disclosure may be made if it is consistent with any prior expressed wishes and disclosure is determined to be in your best interests; you must be informed and given an opportunity to object to further disclosure as soon as you are able to do so).

### Your Rights Regarding Your Protected Health Information

You have the following rights relating to your protected health information:

- **To Request Restrictions on Uses and Disclosures:** You have the right to ask that the Plan limit how it uses or discloses your PHI. The Plan will consider your request, but is not legally bound to agree to the restriction. To the extent that it agrees to any restrictions on its use or disclosure of your PHI, it will put the agreement in writing and abide by it except in emergency situations. The Plan cannot agree to limit uses or disclosures that are required by law.
- **To Choose How the Plan Contacts You:** You have the right to ask that the Plan send you information at an alternative address or by an alternative means. To request confidential communications, you must make your request in writing to the Privacy Official. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. The Plan must agree to your request as long as it is reasonably easy for it to accommodate the request.
- **To Inspect and Copy Your PHI:** Unless your access is restricted for clear and documented treatment reasons, you have a right to see your PHI in the possession of the Plan or its vendors if you put your request in writing. The Plan, or someone on behalf of the Plan, will respond to your request, normally within 30 days. If your request is denied, you will receive written

reasons for the denial and an explanation of any right to have the denial reviewed. If you want copies of your PHI, a charge for copying may be imposed but may be waived, depending on your circumstances. You have a right to choose what portions of your information you want copied and to receive, upon request, prior information on the cost of copying.

- **To Request Amendment of Your PHI:** If you believe that there is a mistake or missing information in a record of your PHI held by the Plan or one of its vendors you may request in writing that the record be corrected or supplemented. The Plan or someone on its behalf will respond, normally within 60 days of receiving your request. The Plan may deny the request if it is determined that the PHI is: (i) correct and complete; (ii) not created by the Plan or its vendor and/or not part of the Plan's or vendor's records; or (iii) not permitted to be disclosed. Any denial will state the reasons for denial and explain your rights to have the request and denial, along with any statement in response that you provide, appended to your PHI. If the request for amendment is approved, the Plan or vendor, as the case may be, will change the PHI and so inform you, and tell others that need to know about the change in the PHI.
- **To Find Out What Disclosures Have Been Made:** You have a right to get a list of when, to whom, for what purpose, and what portion of your PHI has been released by the Plan and its vendors, other than instances of disclosure for which you gave authorization, or instances where the disclosure was made to you or your family. In addition, the disclosure list will not include disclosures for treatment, payment, or health care operations. The list also will not include any disclosures made for national security purposes, to law enforcement officials or correctional facilities, or before the date the federal privacy rules applied to the Plan. You will normally receive a response to your written request for such a list within 60 days after you make the request in writing. Your request can relate to disclosures going as far back as six years. There will be no charge for up to one such list each year. There may be a charge for more frequent requests.

#### **How to Complain About the Plan's Privacy Practices**

If you think the Plan or one of its vendors may have violated your privacy rights, or if you disagree with a decision made by the Plan or a vendor about access to your PHI, you may file a complaint with the person listed in the section immediately below. You also may file a written complaint with the Secretary of the U.S. Department of Health and Human Services. The law does not permit anyone to take retaliatory action against you if you make such complaints.

#### **Notification of a Privacy Breach**

Any individual whose unsecured PHI has been, or is reasonably believed to have been used, accessed, acquired or disclosed in an unauthorized manner will receive written notification from the Plan within 60 days of the discovery of the breach.

If the breach involves 500 or more residents of a state, the Plan will notify prominent media outlets in the state. The Plan will maintain a log of security breaches and will report this information to HHS on an annual basis. Immediate reporting from the Plan to HHS is required if a security breach involves 500 or more people.

#### **Contact Person for Information, or to Submit a Complaint**

If you have questions about this notice please contact the Plan's Privacy Official or Deputy Privacy Official(s) (see below). If you have any complaints about the Plan's privacy practices, handling of your PHI, *or breach notification process*, please contact the Privacy Official or an authorized Deputy Privacy Official.

**WESLEYAN UNIVERSITY EMPLOYEE HEALTH CARE PLAN**  
**NOTICE OF SPECIAL ENROLLMENT RIGHTS**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (e.g., divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of eligibility under Medicaid or CHIP, you must request enrollment within *30 days* after your or your dependent's(s') other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within *60 days* of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within *60 days* after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within *30 days* after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact:

## GENERAL COBRA NOTICE

**Re: CONTINUATION COVERAGE RIGHTS UNDER COBRA**

You are receiving this Notice of COBRA healthcare coverage continuation rights because you have recently become covered under one or more group health plans. The plan (or plans) under which you have gained coverage are listed at the end of this Form, and are referred to collectively as "the plan" except where otherwise indicated.

This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of healthcare coverage under the plan. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and/or to other members of your family who are covered under the plan when you and/or they would otherwise lose the group health coverage. This notice gives only a summary of your COBRA continuation coverage rights. ***This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.*** For more information about your rights and obligations under the plan and under federal law, you should either review the plan's Summary Plan Description or contact the Plan Administrator. In some cases the plan document also serves as the Summary Plan Description.

***Note you may have other options available to you when you lose group health coverage.*** When you become eligible for COBRA, you may also become eligible for other coverage options not provided by your employer that may cost less than COBRA continuation coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

**COBRA Continuation Coverage and "Qualifying Events"**

COBRA continuation coverage is a continuation of plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." A qualified beneficiary is someone who will lose coverage under the plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and eligible children of employees may be qualified beneficiaries. Certain newborns, newly-adopted children and alternate recipients under qualified medical child support orders may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below. Under the plan, qualified beneficiaries who elect COBRA continuation coverage generally must pay for this continuation coverage.

If you are a covered ***employee***, you will become a qualified beneficiary if you lose your coverage under the plan because either one of the following qualifying events happens:

- ❖ Your hours of employment are reduced, or
- ❖ Your employment ends for any reason other than your gross misconduct.

If you are the ***spouse of a covered employee***, you will become a qualified beneficiary if you lose your coverage under the plan because any of the following qualifying events happens:

- ❖ Your spouse dies;
- ❖ Your spouse's hours of employment are reduced;
- ❖ Your spouse's employment ends for any reason other than his or her gross misconduct;
- ❖ Your spouse becomes enrolled in any part of Medicare (it is extremely rare for coverage of an employee's dependents to be terminated on account of the employee's Medicare enrollment); or
- ❖ You become divorced or legally separated from your spouse. Note that if your spouse cancels your coverage in anticipation of a divorce or legal separation and a divorce or legal separation later occurs, then the divorce or legal separation will be considered a qualifying event even though you actually lost coverage earlier. ***If you notify the Plan Administrator or its designee within 60 days after the divorce or legal separation and can establish that the employee canceled the coverage earlier in anticipation of the divorce or legal separation, then COBRA coverage may be available for a period after the divorce or legal separation (but not for the period between the date your coverage ended, and the date of divorce or legal separation).*** But you ***must*** provide timely notice of the divorce or legal separation.

to the Plan Administrator or its designee or you will not be able to obtain COBRA coverage after the divorce or legal separation. See the rules in the box below, under the heading entitled, "*Notice Requirements*," regarding the obligation to provide notice, and the procedures for doing so.

Your covered **eligible children** will become qualified beneficiaries if they lose coverage under the plan because any of the following qualifying events happens:

- ❖ The parent-employee dies;
- ❖ The parent-employee's hours of employment are reduced;
- ❖ The parent-employee's employment ends for any reason other than his or her gross misconduct;
- ❖ The parent-employee becomes enrolled in any part of Medicare (it is extremely rare for coverage of an employee's dependents to be terminated on account of the employee's Medicare enrollment);
- ❖ The parents become divorced or legally separated; or
- ❖ The child stops being eligible for coverage under the plan as an "eligible child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Wesleyan University, and that bankruptcy results in the loss of coverage of any retired employee covered under the plan, the retired employee is a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and eligible children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the plan.

#### Notice Requirements

The plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator or its designee has been **timely notified** that a qualifying event has occurred. When the qualifying event is:

- ❖ the end of employment or reduction of hours of employment,
- ❖ death of the employee,
- ❖ commencement of a proceeding in bankruptcy with respect to the employer,; or

the employer (if the employer is not the Plan Administrator) must notify the Plan Administrator of the qualifying event within 30 days following the date coverage ends.

#### IMPORTANT:

***For the other qualifying events (divorce or legal separation of the employee and spouse or an eligible child's losing eligibility for coverage as an eligible child), you or someone on your behalf must notify the Plan Administrator or its designee in writing within 60 days after the qualifying event occurs, using the procedures specified below. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee during the 60-day notice period, any spouse or eligible child who loses coverage will not be offered the option to elect continuation coverage.***

#### NOTICE PROCEDURES:

Any notice that you provide must be **in writing**. Oral notice, including notice by telephone, is not acceptable. You must mail, fax or hand-deliver your notice to the person, department, or firm listed below, at the following address:

Donna Brewer  
Director of Employee Benefits  
860-685-2100  
237 High Street, 4th Floor  
Middletown, CT 06459

If mailed, your notice must be postmarked no later than the last day of the required notice period. Any notice you provide must state:

- ❖ the ***name of the plan or plans*** under which you lost or are losing coverage,
- <sup>36</sup>❖ the ***name and address of the employee*** covered under the plan,
- ❖ the ***name(s) and address(es) of the qualified beneficiary(ies)***, and

❖ the *qualifying event* and the *date* it happened.

If the qualifying event is a *divorce or legal separation*, your notice must include *a copy of the divorce decree or the legal separation agreement*.

There are other notice requirements in other contexts. See, for example, the discussion below under the heading entitled, "*Duration of COBRA Coverage*." That explanation describes other situations where notice from you or the qualified beneficiary is required in order to gain the right to COBRA coverage.

Once the Plan Administrator or its designee receives *timely notice* that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage for their spouses, and parents may elect COBRA continuation coverage on behalf of their children. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin based on your termination date. If your benefits terminate by the 15<sup>th</sup> of the month, COBRA continuation coverage will begin on the 16<sup>th</sup> of that month. If your benefits terminate after the 15<sup>th</sup> of the month, COBRA continuation coverage will begin on the first of the month following your termination date. ***If you or your spouse or eligible children do not elect continuation coverage within the 60-day election period described above, you will lose your right to elect continuation coverage.***

### Duration of COBRA Coverage

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, enrollment of the employee in any part of Medicare, your divorce or legal separation, or an eligible child losing eligibility as an eligible child, COBRA continuation coverage lasts for up to ***36 months***.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage lasts for up to ***18 months***.

There are *three ways* in which the period of COBRA continuation coverage can be extended...

#### ***1. Disability extension of 18-month period of continuation coverage.***

If you or anyone in your family covered under the plan is determined by the Social Security Administration to be disabled as of the date of the qualifying event or at any time during the first 60 days of COBRA continuation coverage ***and you notify the Plan Administrator or its designee in writing and in a timely fashion***, you and your entire family can receive up to ***an additional 11 months*** of COBRA continuation coverage, for a total maximum of ***29 months***.

***You must make sure that the Plan Administrator or its designee is notified in writing of the Social Security Administration's determination within 60 days after (i) of the date of the determination or (ii) the date of the qualifying event or (iii) the date coverage is lost due to the qualifying event, whichever occurs last. But in any event the notice must be provided before the end of the 18-month period of COBRA continuation coverage.*** The plan requires you to follow the procedures specified in the box above, under the heading entitled "*Notice Procedures*." In addition, your notice must include

- ❖ the name of the disabled qualified beneficiary,
- ❖ the date that the qualified beneficiary became disabled, and
- ❖ the date that the Social Security Administration made its determination.

Your notice must also include a copy of the Social Security Administration's determination. ***If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee within the required period, then there will be no disability extension of COBRA continuation coverage.***

#### ***2. Second qualifying event extension of 18-month period of continuation coverage.***

If your family experiences ***another qualifying event*** while receiving COBRA continuation coverage, the spouse and eligible children in your family can get additional months of COBRA continuation coverage, up to a maximum of ***36 months (including the initial period of COBRA coverage)***.

This extension is available to ***the spouse*** and ***eligible children*** if, while they and the covered former employee are purchasing COBRA coverage, the former employee:

- ❖ dies,
- ❖ enrolls in any part of Medicare

❖ gets divorced or legally separated.

The extension is also available to an *eligible child* when that child stops being eligible under the plan as an eligible child.

***In all of these cases, you must make sure that the Plan Administrator or its designee is notified in writing of the second qualifying event within 60 days after (i) the date of the second qualifying event or (ii) the date coverage is lost, whichever occurs last.*** The plan requires you to follow the procedures specified in the box above, under the heading entitled “Notice Procedures.” Your notice must also ***name the second qualifying event and the date it happened.*** If the second qualifying event is a divorce or legal separation, your notice must include ***a copy of the divorce decree or legal separation agreement.***

***If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee within the required 60-day period, then there will be no extension of COBRA continuation coverage due to the second qualifying event.***

### **3. Medicare Extension for Spouse and Eligible Children.**

If a qualifying event that is a termination of employment or reduction of hours occurs within 18 months after the covered employee becomes entitled to any part of Medicare, then the maximum coverage period for the spouse and eligible children is **36 months** from the date the employee became entitled to Medicare (but the covered employee’s maximum coverage period will be 18 months).

### **Shorter Maximum Coverage Period for Health Flexible Spending Accounts**

The maximum COBRA coverage period for a health flexible spending arrangement (health “FSA”) maintained by the employer ends on the last day of the cafeteria or flexible benefits plan “plan year” in which the qualifying event occurred. In addition, if at the time of the qualifying event the employee has withdrawn (during the plan year) more from the FSA than the employee has had credited to the FSA, no COBRA right is available at all.

## **OTHER RULES AND REQUIREMENTS**

***Same Rights as Active Employees to Add New Dependents.*** A qualified beneficiary generally has the same rights as similarly situated active employees to add or drop dependents, make enrollment changes during open enrollment, etc. Contact the Plan Administrator for more information. See also the paragraph below titled, “*Children Born or Placed for Adoption with the Covered Employee During COBRA Period,*” for information about how certain children acquired by a covered employee purchasing COBRA coverage may actually be treated as qualified beneficiaries themselves. ***Be sure to promptly notify the Plan Administrator or its designee if you need to make a change to your COBRA coverage. The Plan Administrator or its designee must be notified in writing within 30 days of the date you wish to make such a change (adding or dropping dependents, for example).*** See the rules in the box above, under the heading entitled, “*Notice Procedures,*” for an explanation regarding how your notice should be made.

***Children Born to or Placed for Adoption with the Covered Employee During COBRA Period.*** A child born to, adopted by, or placed for adoption with a covered employee or former employee during a period of continuation coverage is considered to be a qualified beneficiary provided that, if the covered employee or former employee is a qualified beneficiary, the employee has elected COBRA continuation coverage for himself or herself. The child’s COBRA coverage begins when the child is enrolled in the plan, whether through special enrollment or open enrollment, and it lasts for as long as COBRA coverage lasts for other family members of the employee. To be enrolled in the plan, the child must satisfy the otherwise applicable plan eligibility requirements (for example, age requirements). ***Be sure to promptly notify the Plan Administrator or its designee if you need to make a change to your COBRA coverage. The Plan Administrator or its designee must be notified in writing within 30 days of the date you wish to make such a change.*** See the rules in the box above, under the heading entitled, “*Notice Procedures,*” for an explanation regarding how your notice should be made.

***Alternate Recipients Under Qualified Medical Child Support Orders.*** A child of the covered employee or former employee who is receiving benefits under the plan pursuant to a Qualified Medical Child Support Order (QMCSO) received by the Plan Administrator during the employee’s period of employment with the employer is entitled the same rights under COBRA as an eligible child of the covered employee, regardless of whether that child would otherwise be considered a dependent. ***Be sure to promptly notify the Plan Administrator or its designee if you need to make a change to your COBRA coverage. The Plan Administrator or its designee must be notified in writing within 30 days of the date you wish to make such a change.*** See the rules in the box above, under the heading entitled, “*Notice Procedures,*” for an explanation regarding how your notice should be made.

**Are there other coverage options besides COBRA Continuation Coverage?**

Yes, other coverage options not sponsored by your employer may be available. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

**If You Have Questions**

Questions concerning your plan or your COBRA continuation rights should be addressed to the contact or contacts identified below. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability or Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's Web site at [www.dol.gov/ebsa](http://www.dol.gov/ebsa)."

**Keep Your Plan Informed of Address Changes**

*In order to protect your family's rights, you should keep the Plan Administrator or its designee informed of any changes in the addresses of family members.* You should also keep a copy, for your records, of any notices you send to the Plan Administrator or its designee.

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 6-30-2023)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Human Resources at (860) 685-2100

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. ## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov)

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020. Contact your State for more information on eligibility –**
