• Enhanced Member experience – The Delta Website is mobile enabled so it’s always with you.
• Your ID Card is on the Website and the Delta Dental App
• An ID card will be mailed to you ONLY:
  - If you are new to the Delta Dental Plan; or
  - If you switch from the Core Plan to the Buy-up Plan
  - Otherwise, if no change in the plan then you will not need a new ID Card.
Delta Dental PPO Plus Premier™ Nationwide Networks

*If you use a Delta Dental PPO™ dentist*

- Your out-of-pocket costs will be lowest for services if you use a participating PPO dentist.
- Your Annual maximum stretches further because the dentists’ fees are lower.
- Participating dentists may not charge more than Delta Dental’s allowed charges, and are paid directly by Delta Dental for covered services.

*If you use a Delta Dental Premier® Dentist*

- Our largest nationwide network.
- Your out-of-pocket costs will be higher, and your plan maximum will not go as far, since Premier dentists’ fees are higher than PPO dentists.
- Participating dentists may not charge more than Delta Dental’s allowed charges, and are paid directly by Delta Dental for covered services.

*You may use dentists that do not participate with Delta Dental*

- You are responsible for submitting the claim.
- You are responsible for making payment to the dentist.
- Your out-of-pocket costs are highest when you use non-participating dentists.

• Allows members to carry over part of their unused annual maximum
• To qualify you must have one cleaning or exam during the calendar year
• You used up less than half of your Annual Maximum
• You can carry over up to 25% of the unused portion of your regular annual maximum up to $500 per year.
• The accumulated amount can never exceed your standard annual maximum.

The chart below is a three-year example of how Carryover Max is applied based on a member’s standard annual maximum amount of $1,000

* If you use less than one half of your standard annual maximum, then you are eligible for Carryover Max.
** In year three, the $1,000 standard annual maximum was exceeded, but the member had enough Carryover Max dollars accumulated ($150) to cover the additional $100 cost.
*** If you fail to see a dentist at least once during the benefit year for an oral evaluation (exam) or prophylaxis (cleaning) and submit a claim to Delta Dental for that service, your accumulated Carryover Max will revert to zero and you will begin another accumulation process.
