

## Vision Benefits at Wesleyan University

### **Eye Exams through Cigna (If electing medical coverage, this benefit is part of your coverage)**

- Eye exams are covered at no cost using in-network eye doctors. (Go to [mycigna.com](http://mycigna.com) or [cigna.com](http://cigna.com) to search for Cigna providers using the OAP network.)
- Out-of-Network eye exams will be reimbursed up to \$75. The Out-of-Network claim form is found on the Wesleyan HR website's Forms section. <http://wesleyan.edu/hr/forms/>
- There is no CIGNA reimbursement for glasses or contacts; however, you can elect the voluntary EyeMed Vision plan (see below).
- Premiums for this benefit are covered under your medical plan.

### **Voluntary Vision Coverage for Glasses and/or Contacts - EyeMed Vision Care**

Wesleyan also offers an optional vision program through EyeMed Vision Care, offering affordable eye materials coverage for you and your family.

- Please reference the EyeMed Vision Care information sheet found on the Human Resources website under Benefits. This sheet will provide you with detailed information regarding coverage levels.
- You are free to enroll in this plan upon hire or during the annual Open Enrollment period.
- You should receive ID cards for yourself and your dependents within 10 days of your enrollment date. Note: Only the employee name is listed on the cards.
- Premiums for this benefit are charged separately through your paycheck. Please reference the Benefits Rate sheet for current pricing.
