Students who received both a Pell Grant and a subsidized Stafford Loan should be reported in the "Recipients of a Federal Pell Grant" column.

For the two graduation rate grids, the sum of the three columns in each line of the income-based grid (84 - 91) should equal the figure in the corresponding grid above (76 - 83).

(CDS I-1). Please report number of instructional faculty members in each category for Fall 2013. Include faculty who are on your institution's payroll on the census date your institution uses for IPEDS/AAUP. Fall 2012 data is provided for your reference.

The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its annual Faculty Compensation Survey (the part-time definitions are not used by AAUP). Instructional faculty is defined as those members of the instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the chart below to determine inclusions and exclusions:

| | Full-time | Part-time |
|---|-----------|--|
| (a) instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post-doctoral fellows, or pre-doctoral fellows | Exclude | Include only if they teach one or more non-clinical credit courses |
| (b) administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status | Exclude | Include if they teach one or more non-clinical credit courses |
| (c) other administrators/staff who teach one or more non-clinical credit courses even though they do not have faculty status | Exclude | Include |
| (d) undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like | Exclude | Exclude |
| (e) faculty on sabbatical or leave with pay | Include | Exclude |
| (f) faculty on leave without pay | Exclude | Exclude |
| (g) replacement faculty for faculty on sabbatical leave or leave with pay | Exclude | Include |

Full-time instructional faculty employed on a full-time basis for instruction (including those with released time for research)

Part-time instructional faculty: Adjuncts and other instructors being paid solely for part-time classroom instruction. Also includes full-time faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not considered full-time instructional faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.

Minority faculty: includes faculty who designate themselves as Black or African American; American Indian or Alaska Native; Asian; Native Hawaiian or other Pacific Islander; Two or more races; or Hispanic.

Doctorate: includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and Doctor of Philosophy in any field such as arts, services, education, engineering, business, or public administration. Also includes terminal degrees formerly designated as "first-professional," including dentistry (DDS or DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), law (JD).

Terminal Master's degree: a master's degree that is considered the highest degree in a field: example, M. Arch (architecture) and MFA (master of fine arts in art or theatre).

Student to Faculty Ratio: (CDS I-2) Report the Fall 2013 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate level students. Do not count undergraduate or graduate student teaching assistants as faculty.

306. Fall 2013 student to faculty ratio: to 1 (based on students and faculty)

307. Fall 2012 student to faculty ratio (provided for your reference): to 1

Undergraduate Class Size (CDS I-3): In the table below, please use the following definitions to report information about the size of class sections offered in the Fall 2013 term. Fall 2012 data provided for your reference.

Class Sections: A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

308. **Class Sections:**

310. If you can't provide the number of assistants, please indicate why:

- Not applicable - don't use graduate teaching assistants
 Not available - don't track use of teaching assistants

311. Unique Qualities during the 2013-2014 academic year.

As part of each entry in a directory of colleges and universities, U.S. News would like to feature a brief description of the school's mission and unique qualities. Please provide a summary of what makes your school special. What are its strengths and attributes? *Maximum number of allowable characters is 4000.* Please do not include bullets, paragraph breaks, special characters, or other special formatting.

We believe that liberal education should instill capacities for critical and creative thinking that can address unfamiliar and changing circumstances, engender a moral sensibility that can weigh consequence beyond self, and establish an enduring love of learning for its own sake. With the help of our faculty, Wesleyan students develop their own unique programs of study, which reflect their own interests and address capabilities we believe are essential to effective participation in a global society. Our faculty are active, well-known scholars, and the community is intellectually lively, so students have resources and support for accomplishing serious scholarly work as undergraduates.

POPULAR MAJORS (CDS J) Using CIP 2010 codes, please identify the five majors with the largest percent of bachelor's degrees awarded by your institution between July 1, 2012 and June 30, 2013. Only five majors can be entered. For more information on CIP 2010, visit <http://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>. Last year's information (2012 graduates) is included for your reference.

Majors and Minors offered

Note: Please use CIP 2010 codes in answering questions 313 and 314. When reporting majors in question 313 below, please do not list majors in conjunction with a concentration, emphasis, minor, or subject area. Concentrations, etc., may be reported in question 314.

In the box underneath the "Majors available" header, click on a CIP code to highlight the major category. This will open another box directly below which lists the sub-categories of majors (CIP codes with up to 4 digits to the right of the decimal place). The sub-categories are arranged by ascending CIP code number. Once you've highlighted a major (you may click and drag your mouse to highlight multiple selections), click on the right arrow in the middle column, which will move your selection to the "Majors offered" column. To undo a selection, highlight the CIP code in the "Majors offered" column and click on the left arrow. The "view only" section will only display the CIP code, not its full description.

- Structured/Proactive/Comprehensive program

Program has separate admissions process and charges fees. Services go well beyond those that are legally mandated and the student is provided with a more structured environment. Low staff/student ratios. Compulsory student attendance. An advisor/advocate is made available to students.

- Self-directed/decentralized services

There is no separate admissions process and eligibility for services must be established by the provision of disability documentation that meets institutional standards. Services may be coordinated through the Disability Services office and are based on need as specified by the documentation. Other offices throughout the campus may also provide services and some services offered are not mandated by laws. Students' progress is not monitored.
