Brief description of collection:

The David Corkran Typescript of *The Cherokee Frontier* is composed of the typescript for Corkran's 1962 novel *The Cherokee Frontier* published in 1962 by the University of Oklahoma Press in Norman, Oklahoma. It contains Corkran's attempts to write a sympathetic 18th century history of the Cherokee people. The typescript contains the book text and index. It is marked with handwritten line-edits and is printed on three-ring paper.
