

**Video and Audio Events Collection**  
**Collection number 1999-8**  
**Preliminary Inventory**

Approximately 64 Paige boxes containing locally-taped Wesleyan events and lectures, including some taped TV news segments featuring Wesleyan, from ca. 1978-2000. Contents are particularly strong in science lectures and symposia, with the Leermakers, Hughes, and other lecture series represented, as well as theater performances. Other subjects include student films, South Africa investment divestment protest news coverage (44 tapes), a small proportion of tapes are audio (approx. 4 cu ft), with the bulk being videotapes, with the VHS format predominant.

This collection was created and maintained by Robert White, audio-visual manager at Wesleyan until his retirement in 2000, and transferred to the Archives in several accessions. This collection is arranged per box, by rough subject area or discipline, and needs further processing.

This collection includes accessions:

1999-33  
2000-11  
2002-47
