

Stephen Dyson Papers, 1970-1990
Collection 2000-27a
Preliminary Inventory

Papers collected by Stephen Lee Dyson (Wesleyan department of Classics 1963-90) concerning Dyson's role as director of the Wesleyan museum (1970-77), including reports, correspondence, item inventories, budgets, and subject files. Also includes proposals for establishing an interdisciplinary archaeology program (1970-74, 1990) and summary reports of Wesleyan digs in Italy led by Dyson.
