

**Mellon Mays Undergraduate Fellowship**

**Wesleyan University Summer Research Proposal**

Please complete and return this form to the Coordinator. Your summer research plans should be developed in close consultation with your mentor or thesis advisor. You are expected to prioritize work on your project during June, July, and August (or June and August if you participate in IRT), and to maintain regular contact with your Advisor and Coordinator.

Name: \_\_\_\_\_

Mentor: \_\_\_\_\_

Thesis Advisor (if different from Mentor): \_\_\_\_\_

Research topic: \_\_\_\_\_

Proposed location(s) for research: \_\_\_\_\_

**Please attach a thorough summary of your proposed research. Be sure to include:**

- A concise statement of the topic, purpose, and goals of your research (This statement should not be cut and pasted from your MMUF application!)
- A brief summary of the work you have already done on the project
- A description of your research methodology
- A proposed time line for the research
- The resources you will need (libraries, archives, books, recordings, etc.)
- A detailed budget, including rent (if applicable), transportation, food, office supplies, books & other materials), and miscellaneous. Note that MMUF can provide a maximum of \$3,900 for summer stipend.
- After completion of each summer activity, all Fellows will have to submit a short report (5 to 7 pages), noting any progress, changes in direction, or issues that arose over the past summer. Paper is due on the first day of (HIST195), which meets on Tuesdays from 4:30-5:50pm.
