DUE DATE: Due Monday, February 6, 2017

LATE APPLICATIONS: Not Considered.

Limited financial support is available to qualified undergraduate students for Private Music Lessons.

Awards are based on:
1) The student’s need base as determined by the University Financial Aid Office.
2) Rating by Performance Ensemble Faculty member, Ensemble Coach, or Private Lessons Teacher in a written evaluation of the candidate.
3) The student’s intent to contribute to the musical life of the Wesleyan community through Music Department sponsored activities.

ELIGIBILITY REQUIREMENTS:
(The student must meet all three requirements)

1. The student must be eligible for University Financial Aid with a need base of more than $10,000. This requires one’s parents or guardians have submitted a Financial Aid Form to the Wesleyan Financial Aid Office. In the case of exchange students, the Wesleyan Office must have received a copy of an eligibility letter from the student's home college. In turn, if granted, the student must notify their home college, which then increases the student’s tuition allowance.

2. Students must play in an ensemble for a semester or complete a semester of private lessons in their instrument (voice) of interest before applying for financial support from the Music Department.

3. You must indicate your intention to contribute to the musical life of the Wesleyan Community as your ability allows by participating in one or more of the Music Department sponsored performing ensembles for which credit is offered, or in some other capacity as designated by the Music Department.

APPLICATION REQUIREMENTS:

1. During the Interview/Registration period you must inform your Performance Ensemble Faculty member, Ensemble Coach, or Private Lessons Teacher that you are applying for financial assistance. Instructors will then submit the required recommendation forms.

2. Financial assistance is determined on a per semester basis. You must re-apply at the beginning of each semester in order to be considered for financial assistance.

FACTS:

1. Even with support, everyone is responsible for paying a percentage of the cost of their private lessons. The maximum support allowable is 80% of the Private Lessons Fee.

   Need base $10,000 - $25,000 = approximately 20% support
   Need base $25,001 - $35,000 = approximately 40% support
   Need base $35,001 - $45,000 = approximately 60% support
   Need base over $45,001 = approximately 80% support

2. Financial support is available for only one set of lessons per semester.

3. STUDENTS WILL BE BILLED FOR ANY STUDENT ABSENCE INCURRED.

4. If a student incurs 3 absences and will not be able to complete 10 lessons for credit, the student may have the option to pay for a makeup lesson to meet the minimum requirement of 10 lessons for credit, if the instructor agrees.

5. This application is for the Spring 2017 semester only. Students must re-apply each semester.

6. Music Majors requesting financial support in addition to the waiver must complete this application by the deadline.

7. Information regarding financial support awards will be available the second week of lessons. You will be notified of your award by the Private Lessons Coordinator. Submitting this application does not guarantee an award.
