

Dear Class of 2023,

A mailing of the annual insurance requirement invoice letter (attached) will be sent to your home address by the end of June, but I also want you to have the information as soon as possible.

Annual Insurance Requirements AY 2019-2020 - Please complete the required form and/or forward to your parent(s) or guardian(s).

- **All students will be **charged upfront** on July 10 for the school insurance and students with private insurance will have charges reversed once an online waiver form is accepted.**
- You must show proof annually of private insurance (waive) or enroll in the university-sponsored plan **before August 12, 2019**. The only acceptable way to comply with university insurance requirements is by completing the **necessary** forms **online**, through Gallagher Student Health and Special Risk website at www.gallagherstudent.com/wesleyan.
- **If you know you want the university insurance plan please complete the online enrollment form at www.gallagherstudent.com/wesleyan.** Enrolling early will ensure there is no delay in coverage, which begins on August 12 and you will have access to your ID card promptly. If you enroll in the university plan, we recommend using your campus address/PO Box to ensure your insurance statements arrive to your campus mailbox.
- Attached is a letter that will be sent to your parent(s)/guardian(s) to your home address by the end of June. A FAQ is also provided for more specific details of the insurance plan.
