

What we do:

- ◆ **Listen and Care:** We are confidential, safe, and welcoming individuals with open hearts. We provide one-on-one support for students struggling with issues including anxiety/stress, image, identity, sexual assault, and interpersonal conflict.
- ◆ **Develop Programs/Services:** We lead or coordinate a wide variety of spiritual and/or religious services each week and develop programs designed to help students grow and feel supported.
- ◆ **Facilitate Interfaith Dialogue:** We help create opportunities for interfaith dialogue, relationship building, and learning through community service, social events, and educational programs.
- ◆ **Share Resources:** We can be a resource to help students navigate Wesleyan and connect with supportive communities, and we provide a quiet, safe place and space on campus where students can hang out or study on the 2nd floor of 169 High Street. If you would like to reserve the ORSL lounge for prayer, meetings, etc., please contact Megan Perkins at mperkins@wesleyan.edu
